Before we move on to the second reading, let's take a moment to reflect on the first. The first reading is a poem by William Wordsworth, "The Solitary Reaper." It is a beautiful poem that describes a woman reaping in a field. The poem is written in a simple, direct style, and it is easy to see why it is so popular. The poem is a good example of the Romantic style, which emphasizes the beauty of nature and the power of the individual.
