Finding Their Way:

Finding Your Way Phillip G. Camp, 2009-01-12 Your time in seminary can be a period of great blessing and adventure on the one hand but also a time of great confusion and doubt on the other How do you navigate the challenges questions and even frustrations of seminary life Am you the only one who is confused in your classes or struggling with what you believe What does all this theological stuff have to do with serving Christ Finding Your Way was written to help you with these questions and perhaps with others that you didn't even know you had This little book will help you see that seminary education is not a hoop to jump through or a burden to bear on the way to real ministry Rather your theological education is an important part of your vocation and spiritual formation now and for your future service To this end this book serves as a guide to the ins and outs of seminary life to fostering a loving relationship with the church and to developing spiritual habits that will bless you throughout your ministry

Supernavigators: Exploring the Wonders of How Animals Find Their Way David Barrie, 2020-06-09 Just astonishing Our natural navigational capacities are no match for those of the supernavigators in this eye opening book Frans de Waal The New York Times Book Review Publisher's note Supernavigators was published in the UK under the title Incredible Journeys Animals plainly know where they're going but how they know has remained a stubborn mystery until now Supernavigators is a globe trotting voyage of discovery alongside astounding animals of every stripe dung beetles that steer by the Milky Way box jellyfish that can see above the water with a few of their twenty-four eyes sea turtles that sense Earth's magnetic field and many more David Barrie consults animal behaviorists and Nobel Prize winning scientists to catch us up on the cutting edge of animal intelligence revealing these wonders in a whole new light

Finding Your Way To Heaven Without a Smartphone Joe Obidiegwu, 2015-08-11 In efforts to understand the human being our history and our future the story takes the reader through three different continents gleaned cultural well being and malaise of different races The book highlights the common bond between all human races while exploring reasons for the perceived outer differences our modern world hurtles forward driven as it is by powerful technological engines of change characterized by an obsessive and often idolatrous worship of intelligence ruminative men and women all around the world ponder in the silence of their soul the fate of

humanity In the West depression suicide incomprehensible mass shootings and myriad psychological disorders litter our cultural landscape while abject poverty ravage developing nations We have become highly intelligent beings that cannot solve our problems yet we inhabit a natural world created out of wisdom and much of that wisdom is not reflected in our thoughts and lifestyle Modern man's obsession with intelligence and the material world has left him a stranger to spiritual things and wisdom Consequently humanity is left vulnerable to inexplicable and undiagnosed suffering in an attempt to diagnose what ails modern man this book presents a convincing and thought provoking argument that we have forgotten who we are and in so doing have built a world terribly out of order with our divine nature By walking the reader through my Nigerian upbringing and subsequent arrival in the West I reveal some timeless wisdom that I believe can serve as a cure for some of the things that trouble us today This inimitable book lights a path directing us again to who we truly are It is a timely and deft clarion call to all of us Finding Your Way to Heaven Without a Smartphone is a mixture of autobiography cultural inquiry and philosophy Joseph Obidiegwu an Igbo from Nigeria has lived on three continents He has the necessary perspective and wisdom to look at the world's masquerade from different angles There is no romanticization of traditional African village life nor is there blind acceptance of the hectic to and fro of modern life on planet Smartphone Don Burness Ph D Professor of Literature at Franklin Pierce College Author of Echoes of the Sunbird and Wanasema Keywords Inimitable Interesting Insightful Autobiographical Philosophical Spiritual Cultural Thought Provoking Inspiring Life Changing
