Can she help him heal before he destroys himself and everyone around him?

In the Air Tonight Marie Force, 2024-09-24 I was there I saw what you did Blaise I wasn't supposed to be there that night but my friend Sienna talked me into going to the party in Land's End so she could spy on her boyfriend. While hiding out in the woods we witnessed an unspeakable crime. And we did everything wrong afterward. Connections run deep in our small town I was pressured into keeping my mouth shut even though every part of me objected. I assumed I'd always do the right thing in any situation I was wrong about that and a lot of other things I was wrecked by what I saw and how the victim was treated by kids I'd known all my life. I've been sick over it ever since even as I moved on far away from the town where I was raised. Fourteen years later I learn that the guy who committed that unspeakable crime is running for Congress and something in me snaps. I can't bear the weight of that knowledge for another second. Finally I report what I saw and all hell breaks loose for me and others who were at that long ago party. Some of them will do whatever it takes to keep the truth from coming to light even if they have to kill me. In the midst of an epic battle a new love gives me the strength to stay strong to fight for my life and to right a terrible wrong.

Content warning: A sexual assault storyline may be upsetting to some readers.

Reviews for In the Air Tonight: An unforgettable page turner where love and justice collide in a breathtaking tale of courage and redemption. Marie Force masterfully weaves suspense and romance taking you on a journey to find love in the most unexpected places. Bestselling author Sawyer Bennett WOW This five star read just became one of my favorite reads of 2024. With its scintillating storyline and cast of memorable small town characters this bingeable edge of your seat read captivated me from the very start. juliereads_alot This was such a riveting story. The writing flowed so well between all the characters and dual timelines I loved getting a viewpoint from every character and seeing how this difficult situation affected each and every one of them. I could really feel the emotions of the characters throughout and was brought to tears by the end. This is such a heavy topic but written so well I could not put it down. And the romantic storyline swoon I highly recommend this one for fans of romantic suspense. 5 stars Jennifer Horton on Goodreads. With multiple POVs a split timeline a small town setting and a heinous crime Marie Force's newest book is sure to be a crowd pleaser among thriller lovers. bookstilbedtime I am a huge fan of Marie Force and love her books. This book is no exception yet it is very different from her usual books. A horrendous event. Understandable and gut wrenching reactions from everyone. I love how the author used multiple POV's to tell this story. I was totally invested at times appalled and wanting to cry and at other times angry. I couldn't put it down and read it in one sitting yes it was 2am before I finished. Kudos to the author. 5 stars Karen on Goodreads. Ya!! this is one bombshell of a book. It's a short fast intense read and it hits you hard and in all the feels. 5 stars Dea Farrel on Goodreads. This was such a riveting story.
