Those Who Wait Juggi Bhasin, 2023-08-09 What happens when loyalty to country is tested by loyalty to family Who is Samyukta And why is it her life's mission to humiliate Kanwar Pratap Singh the wildly successful Indian Prime Minister And why do two decorated army men Aseem and Ranbir Tripathi find themselves on opposite sides of their beloved country How does Shonali Tripathi Ranbir's sister get embroiled with the Maoists Are the Chinese successful in humiliating India Those Who Wait answers all these questions The book also takes the readers on a ride that makes them a voyeur into the intimate lives of powerful individuals It is a compelling and engaging tale that almost forces the readers to get involved in the lives of the fictional characters In the end Those Who Wait is a book that tells the story of people who scarily could be real **The Next of Kin: Those who Wait and Wonder** Nellie L. McClung, 2019-12-12 In *The Next of Kin* Those who Wait and Wonder Nellie L McClung explores the profound emotional landscape of war and its aftermath through the lens of those left behind Written in descriptive prose the narrative captures the struggles and resilience of families waiting for their loved ones to return from the battlefield McClung deftly intertwines personal anecdotes with broader societal reflections situating her work within the socio political context of post World War I Canada where the repercussions of the Great War rippled through every strata of life This poignant examination of grief hope and community underscores the psychological toll inflicted upon those who await the return of soldiers casting a light on their often overlooked stories Nellie L McClung a prominent figure in Canadian literature and a passionate suffragist drew inspiration from her own experiences and the wider social changes of her time Her commitment to social justice and women's rights permeated her writings offering both personal and political insights *The Next of Kin* reflects her deep empathy for the human condition as well as her acute awareness of the collective trauma experienced by families in an era marked by conflict This book is highly recommended for readers interested in historical narratives women's experiences during wartime and the emotional ramifications of conflict on society McClung's nuanced portrayal invites readers to reflect on the cost of war making it a timeless examination relevant to both historical inquiry and contemporary discourses on hope and resilience *Those Who Wait on the Lord* Daniel Johnson, 2014-01-31 In the midst of a world full of stress busyness and incessant demands the call to wait on the Lord might seem strange if not impossible *Those Who Wait on The Lord* gives the reader the practical insights as to how to pursue a meaningful devotional life with Jesus Christ The principles considered can simultaneously serve as a virtual manual for the Christian life **The Next of Kin: Those Who Wait and Wonder (WWI Centenary Series)** Nellie L.
