Constitution of the State of New York Adopted in 1846 New York (State), 1867 *American Journal of Philology* Basil Lanneau Gildersleeve, Charles William Emil Miller, Tenney Frank, Benjamin Dean Meritt, Harold Fredrik Cherniss, Henry Thompson Rowell, 1895 Each number includes Reviews and book notices [The Rise of the Alt-Right](#) Thomas J. Main, 2018-07-31 What is the Alt Right and how will it affect America Donald Trump's election as president in 2016 suddenly brought to prominence a political movement that few in political circles or the mainstream media had paid much attention to the so called Alt Right Steven Bannon Trump's campaign manager was a leading figure in the movement and the election results seemed to give it a real opportunity to gain some political power But what is the Alt Right Is it a movement a theory a trend or just an unorganized group of people far outside of what used to be the political mainstream in America Or could it be all of these things Why has it suddenly emerged into prominence What impact is it having on American politics today and what are the prospects for the Alt Right in the future Through careful research and analysis *The Rise of the Alt Right* addresses these and other questions tracing the movement's history from the founding of modern conservatism in postwar America to the current Trump era Although the Alt Right might seem to be just the latest extremist group to arise in the United States one likely to take its place in the graveyard of its many predecessors Thomas J Main analyzes evidence that the Alt Right is having a greater influence on the American political mainstream than did past extremist tendencies *The Rise of the Alt Right* is thus an important study for anyone interested in the future of American politics and public life
