Paper 1 - UK Geographical Issues - Fieldwork - Work Booklet

Topic

1. Suggest a range of questions or hypotheses that the students might have proposed for their investigation.

Has the amount of water discharged in the morning increased since the earthquake?

The first part of this response is positive although there is a hint that it would be better if the student had been asked to suggest a range of questions or hypotheses for the investigation. The second part of this response is positive as the student has suggested a range of questions or hypotheses for the investigation.

Do not leave things unsimplified. Suggesting a range of questions or hypotheses is a good idea but the student must also suggest a range of questions or hypotheses for the investigation.
