Donald went to New Zealand for a holiday with his parents. At Taupo, there was an exciting prawn fishing center. His father and he bought the passes for NZD 25 each and went fishing for prawn. They decided to have a competition amongst themselves and noted their prawn catch hourly to see who caught more.

1. In the first hour, Donald caught 17 and his father caught 22. How many prawns did they catch in the first hour altogether?

2. In the second hour, Donald caught 23 and his father caught 12. How many prawns did they catch in the second hour altogether?

3. In the third hour, Donald caught 24 and his father caught 27. How many prawns did they catch in the third hour altogether?

4. In the fourth hour, Donald caught 20 and his father caught 20. How many prawns did they catch in the fourth hour altogether?

5. How many prawns did they catch each in four hours and how many prawns did they catch altogether?

Goldstein, 2015-07-16 Using Developmentally Appropriate Practices to Teach the Common Core Grades PreK 3 provides current and prospective primary grade teachers with an understanding of the CCSS ELA and CCSS M that highlights their compatibility with developmentally appropriate practices DAP the instructional

approach generally preferred by teachers of young children The book begins by framing the CCSS as a distinct improvement over lengthy lists of academic content standards and as a carefully conceptualized and DAP friendly set of curriculum guidelines Next the CCSS ELA and CCSS M for Grades K 3 are unpacked analyzed synthesized and cross referenced to key features of DAP Finally several hot topic issues differentiating instruction to meet the needs of all learners ensuring equitable access to the curriculum for English Language Learners addressing assessment and accountability expectations and educating parents and families about the CCSS and DAP are prioritized and examined in depth Using Developmentally Appropriate Practices to Teach the Common Core Grades PreK 3 is a highly useful guide for both pre service and in service early childhood education teachers

Handbook of Response to Intervention and Multi-Tiered Systems of Support

Paige C. Pullen, Michael J. Kennedy, 2018-10-16 Of the many issues facing special education and general education today it is difficult to imagine one more important or timely than response to intervention RTI Almost overnight RTI has become standard practice across the nation Unfortunately RTI remains ill defined falls far short of its evidence based practice goal is almost invariably misused and often results in more harm than good Nevertheless as a conceptual framework RTI has great potential for ensuring that students with disabilities receive appropriate evidence based instruction The mission of this handbook is to present a comprehensive and integrated discussion of response to intervention RTI and its relation to multi tiered systems of support MTSS in both special education and general education Although the two terms are currently used interchangeably distinct differences exist between them Therefore chapters are dedicated to distinguishing the two concepts RTI and MTSS and describing each one s unique role in both general and special education In addition the authors recommend a third term Multi Tiered Instruction to differentiate the practices related to the purpose of the specific intervention
