rock and roll and high school as we know it. When Stella, Charlie, Olivia, and Mo take us back to that fateful detention where a dentist's jingle, a teacher's coughing fit, and a beat-up ukelele gave birth to Rhode Island's most influential band. Told in each of their five voices and compiled by Opoquonsett's scene queen freshman Naomi Fishmeier, this anthology is their definitive history.

Fair Isn't Always Equal, Second Edition Rick Wormeli, 2018. Differentiated instruction is a nice idea, but what happens when it comes to assessing and grading students? How can you capture student progress, growth, and soft skill development and still provide an equitable grading environment? An internationally recognized expert on grading practices, author Rick Wormeli revisits these questions in this thoroughly updated second edition of *Fair Isn't Always Equal: Assessment and Grading in the Differentiated Classroom*. Wormeli reflects on current grading and assessment practices and how they can exist with high-stakes, accountable classrooms. Important and sometimes controversial issues are tackled constructively in this book, incorporating modern pedagogy and addressing the challenges of teaching diverse groups of students across all learning levels. Middle and high school educators will easily recognize gray areas of grading and how important it is to have a shared school vision. In this second edition, new sections address sports eligibility, honor roll, descriptive feedback techniques, and gifted/talented students. Previous chapters on test questions, redos, retakes, grading scales, and grading effort and behavior have been revised extensively. This important book clearly explains the principles behind best grading practices so that you're ready for all grading questions or scenarios that you may encounter in your classrooms and schools.
