**Lesson Guide**

Read the Bible story to the children. Ask them to listen for the words 'Great Commission'. Explain that this is the command Jesus gave to his disciples to go and tell everyone about Him. Discuss how we can tell others about Jesus today. Encourage the children to share the good news with their friends and family.

**The Great Commission**

After Jesus died and rose again, He appeared to his disciples. He told them to go and tell everyone about Him. This is called the Great Commission. We are to tell everyone about Jesus and how He loves us. We can tell them by sharing the good news with them. We can also tell them by living our lives in a way that shows God's love.

**Parables of the Great Commission** Ruth Tucker,1989 Omnirelevance Mark Hodges,2020-03-18 Why are advertisers better at getting a product message out than churches are with a message that matters Too many churches are in a time capsule their message being caught in a temporal loop and completely irrelevant to today s audience For those who desire to have an even greater impact on society and fulfill the Great Commission Omnirelevance is an essential field guide to connecting the timeless word of hope to a changing culture and breaking a pattern of irrelevance *First Ask Why* Shelly Wildman,2018-04-24 It s no secret that parenting is tricky business With advice flooding in from all sides strong willed children pushing against boundaries and our own human flaws it s easy to get bogged down in every how to that we re not doing well But maybe that isn t the right approach Maybe the first step is not to ask how but to ask why Like most parents when Shelly Wildman had children she consulted books sermons and lectures on how to raise the best children possible Yet every resource focused on how to get external results children who behave the way others expected them to For Shelly and her husband the turning point happened when they started asking why instead shifting their focus to internal change That s when their purpose as parents became clear parents are called to do their best to show kids how to know and love Jesus to love others and to make a difference in the world There are no rules here no inflexible series of steps that lead to perfect parenting Instead Shelly encourages parents to think about their unique family and why each child s needs for spiritual growth might look different She walks you through intentional questioning focusing on building a firm foundation for lasting discipleship And in the end you ll discover that God wants the same outcome you do a child who knows Christ intimately loves him deeply and has a heart to serve him fully **Love Is the Answer** Janet D.
