L. Reynolds,2008-03-04 Southern Californians had long been accustomed to the occasional jolts of small earthquakes and for the most part had come to ignore the small jolts and considered them as more of a reminder that they lived in an area that was dissected by the great San Andreas Fault along with many other smaller fault lines Vince Davis the director of the Seismic Center located in San Diego California had been awakened from sleep at 2 00 AM the morning of August 18th 2009 by the jolt of a small earthquake not unlike many others he had experienced since moving to San Diego and taking over his position as director of the facility He felt no urgency in regard to the earthquake knowing the Seismic Center would be monitoring the quake What he didn't know but would soon learn was that the small quake was just the beginning of something more devastating and ominous Something that he and his assistant Jim Lewis never imagined could happen The two caught up in the disaster would band together with a group of new found and dedicated allies forming a courageous force of defiant individuals The government of the United States no longer viable crumbled and fell apart under the fury of the all consuming disaster Military and government officials alike deserted their posts as Washington and the White House burned If the group was going to survive they would have to find their own way and do so by their own means In a short period of 35 days they would find themselves in a constant struggle against nature and the enemies they would encounter along the way He and his allies are ultimately forced to abandon their mountaintop headquarters and go to St Louis where they will have to make their last stand and face the power of the mighty New Madrid Fault Jesus is the key Judith Archer,2015-06-01 This book was made to emphasize His greatest love to all human races that when He died He offered it to His Father He was obedient and He listened to what His Father wanted Him to fulfil to obtain the greatest gift that He offered to mankind the gift of love He emphasizes to all that His love is never ending that He is always there for all through the good Holy Spirit He speaks to everyone through this servant this servant will never leave His children He promised that to all mankind that they will live a fruitful life if they choose the good Holy Spirit as their counsellor their guiding light and their comfort Jesus is the Key is design to shape peoples life it is meticulously design to fix and dig all areas of human characteristics negative and positive so it enables the people to grasp the good Holy Spirit which lead the people to hear the voice of Jesus Christ God the Father and all the heavenly Family that is if they are willing to ask the good Holy Spirit and if
