After the Election Ron Scott Sanders, 2018-04-05 The role of Evangelical Christianity in American public life is controversial The mythology of America as a Christian nation and the promissory note of secularism have proved inadequate to cope with the increasing pluralism the resilience of spirituality and the wariness toward formal religion that mark our post

secular age Christianity and democracy have a complex history together but is there a future where these two great traditions draw the best out of one another What does that future look like in a heterogeneous society Sanders argues that democracy is stronger when it allows all of its religious citizens to participate fully in the public sphere and Christianity is richer when it demonstrates the wisdom of God from the ground up rather than legislating it from the top down In this reality the Evangelical church must return to Christianity's prophetic roots and see itself as a community in exile where participation in the political is important but not ultimate where the substantive work of the church happens after the election

Shifting Perspectives on the European Public Prosecutor's Office Willem Geelhoed, Leendert H. Erkelens, Arjen W.H. Meij, 2017-12-19 This book provides answers to the following questions Is there a bright future ahead for a European Public Prosecutor's Office If so is the regulation establishing the office sufficiently clear and balanced to attain that goal Moreover will the office be able to effectively fight fraud now damaging the EU's budget and will it respect the fundamental rights of the parties involved Included are issues ranging from EU substantive and procedural criminal law combatting EU fraud the distribution of competences in European law enforcement EU fundamental rights to forum choice The book's aim is to inform academics policy makers and criminal law practitioners about key issues surrounding the attribution of prosecutorial powers to an entirely remodelled European Union body Doing so it sheds light on this body as fundamentally changed by the Council which will undoubtedly have a greater impact on the European criminal justice system than the European Arrest Warrant ever did Dr Willem Geelhoed is Assistant Professor in criminal law and criminal procedure at the University of Groningen The Netherlands and Drs Leendert H Erkelens and Prof Mr Arjen W H Meij are both Visiting Research Fellow at the T M C Asser Instituut in The Hague in The Netherlands while the latter is also Honorary Professor at the University of Luxembourg

The Political Economy of Universal Healthcare in Africa Philip C. Aka, Hassan Wahab, Yvette M. Alex-Assensoh, 2022-04-27 The global rise in pandemics most recently COVID 19 and other health challenges some of which are due to climate change have imposed significant challenges on the healthcare systems in economies around the world Thus this book deals with an issue that is very timely and relevant not just in Africa but globally It critically assesses healthcare reforms in Ghana under the Fourth Republic since 1993 Although it focuses on Ghana's National Health Insurance Scheme of 2003 the book instructively goes beyond this program The book argues that although Ghana is a bellwether of healthcare reforms in Africa its healthcare initiatives are still far from the service haven of healthcare as a human right Themes that animate the book's argument include the need to translate human rights law such as the right to health into practical policies that work for ordinary citizens Key highlights of the book include an increased accent on health as a human right emphasis on comparative analysis in healthcare studies and the formulation of a four hallmark framework embedded in economics law politics and human rights to act as a guide for assessment of healthcare reforms in Africa in particular and Ghana more specifically Using Ghana as a case study and analytical window into the world

the book offers a valuable and timely resource for academics students and policymakers across the disciplines of development and healthcare economics law public policy political science sociology and African and Caribbean studies as well as in various fields in health science

The Fundamental Right to Data Protection Maria Tzanou,2017-06-01 Since the entry into force of the Lisbon Treaty data protection has been elevated to the status of a fundamental right in the European Union and is now enshrined in the EU Charter of Fundamental Rights alongside the right to privacy This timely book investigates the normative significance of data protection as a fundamental right in the EU The first part of the book examines the scope the content and the capabilities of data protection as a fundamental right to resolve problems and to provide for an effective protection It discusses the current approaches to this right in the legal scholarship and the case law and identifies the limitations that prevent it from having an added value of its own It suggests a theory of data protection that reconstructs the understanding of this right and could guide courts and legislators on data protection issues The second part of the book goes on to empirically test the reconstructed right to data protection in four case studies of counter terrorism surveillance communications metadata travel data financial data and Internet data surveillance The book will be of interest to academics students policy makers and practitioners in EU law privacy data protection counter terrorism and human rights law

Societies, Social Inequalities and Marginalization Raghubir Chand,Etienne Nel,Stanko Pelc,2017-04-04 This book provides an overview of marginality or marginalization as a concept characterizing a situation of impediments social political economic physical and environmental that impact the abilities of many people and societies to improve their human condition It examines a wide range of examples and viewpoints of societies struggling with poverty social inequality and marginalization Though the book will be especially interesting for those looking for insights into the situation and position of ethnic groups living in harsh mountainous conditions in the Himalayan region examples from other parts of the world such as Kyrgyzstan Israel Switzerland and Finland provide an opportunity for comparison of marginality and marginalization from around the world Also addressed are issues such as livelihood outmigration and environmental threats taking into account the conditions scale and perspective of observation Throughout the text particular attention is given to the context and concept of marginalization which sadly remains a persistent reality of human life It is in this context that this book seeks to advance our global understanding of what marginalization is how it is manifested and what causes it while also proposing remedial strategies

How the West Lost the Peace Philipp Ther,2023-04-25 When the Berlin Wall was stormed and the Soviet Union fell apart the West and above all the United States looked like the sole victors of history Three decades later the spirit of triumph rings hollow What went wrong In this sequel to his award winning history of neoliberal Europe the renowned historian Philipp Ther searches for an answer to this question He argues that global capitalism created many losers preparing the ground for the rise of right wing populists and nationalists He shows how the promise of prosperity and freedom did not catch on sufficiently in Eastern Europe despite material progress and how the

West lost Russia and alienated Turkey Neoliberal capitalism also left the world poorly prepared to cope with Covid 19 and the pandemic further weakened the Western hegemony of the post 1989 period which is now brutally contested by Russia's war against Ukraine The double punch of the pandemic and the biggest war in Europe since 1945 has brought to a close the age of transformation that was inaugurated by the end of the Cold War This penetrating analysis of the disarray of the post 1989 world will be of great interest to anyone who wishes to understand how we got to where we are today and the tremendous challenges we now face
