In The Name Of Hate:

In the Name of Hate Barbara Perry, 2002-05-03 In *The Name of Hate* is the first book to offer a comprehensive theory of hate crimes arguing for an expansion of the legal definitions that most states in the U S hold Barbara Perry provides an historical understanding of hate crimes and provocatively argues that hate crimes are not an aberration of current society but rather a by product of a society still grappling with inequality difference fear and hate

In The Name of Love Aaron Ben-Ze'ev, Ruhama Goussinsky, 2008-02-21 We yearn to experience the idealized love depicted in so many novels movies poems and popular songs Ironically it is the idealization of love that arms it with its destructive power Popular media consistently remind us that love is all we need but statistics concerning the rate of depression and suicides after divorce or romantic break up remind us what might happened if all that we need is taken away This book is about our ideals of love our experiences of love the actual disparity between the two and the manners of coping with this disparity A major study case of the book concerns men who have murdered their wives or partners allegedly out of love It is estimated that over 30% of all female murder victims in the United States die at the hands of a former or present spouse or boyfriend How can murdering a loved one be associated with the assumed moral and altruistic love Not only is love intrinsically ambivalent but it can also give rise to dangerous consequences Some of the worst evils have been committed in the name of love as in the name of God A unique collaboration between a leading philosopher in the field of emotions and a social scientist In the Name of Love presents fascinating insights into romantic love and its future in modern society

It's All in the Name Sharita Star, 2010-12 It s All in the Name explains the concept of Lexigrams and the uncanny magic they can unfold for self knowledge The author begins by introducing simple words and taking the reader on a journey that shows how much we can find the truth we are searching for is contained within the words we use every day After offering a few rules to guide the Lexigram process and suggesting times to break those rules she explains the interconnections among Lexigrams astrology and numerology Sharita Star goes on to show how many of the Lexigrams that can be derived from names and titles relate to the very astrological and numerical guidance that governs them providing historical evidence to show how this dynamic works To do so she offers references to zodiacal Sun signs and the Chaldean understanding of numerology Moreover Sharita provides numerous case studies of well know individuals past and present It s All in the Name is a valuable tool for exploring the profound inner meanings of names and everyday words and for deepening one s intuitive capacity

Hate-work David W. Augsburger, 2004-01-01 Using stories case histories and correlating perspectives from psychology sociology and theology Augsburger explains how hate functions He also makes an argument for the moral imperative of moving from hate to justice and mercy in our dealings with one another

Not in God's

Name Jonathan Sacks, 2015-10-13 2015 National Jewish Book Award Winner In this powerful and timely book one of the most admired and authoritative religious leaders of our time tackles the phenomenon of religious extremism and violence committed in the name of God If religion is perceived as being part of the problem Rabbi Sacks argues then it must also form part of the solution When religion becomes a zero sum conceit that is my religion is the only right path to God therefore your religion is by definition wrong and individuals are motivated by what Rabbi Sacks calls altruistic evil violence between peoples of different beliefs appears to be the only natural outcome But through an exploration of the roots of violence and its relationship to religion and employing groundbreaking biblical analysis and interpretation Rabbi Sacks shows that religiously inspired violence has as its source misreadings of biblical texts at the heart of all three Abrahamic faiths By looking anew at the book of Genesis with its foundational stories of Judaism Christianity and Islam Rabbi Sacks offers a radical rereading of many of the Bible's seminal stories of sibling rivalry Cain and Abel Isaac and Ishmael Jacob and Esau Joseph and his brothers Rachel and Leah Abraham himself writes Rabbi Sacks sought to be a blessing to others regardless of their faith That idea ignored for many of the intervening centuries remains the simplest definition of Abrahamic faith It is not our task to conquer or convert the world or enforce uniformity of belief It is our task to be a blessing to the world The use of religion for political ends is not righteousness but idolatry To invoke God to justify violence against the innocent is not an act of sanctity but of sacrilege Here is an eloquent call for people of goodwill from all faiths and none to stand together confront the religious extremism that threatens to destroy us and declare Not in God's Name

SPIRITUAL EMPOWERMENT Her Righteousness Ekhosuehi Ibie, 2024-02-21 My prayer book is part of a divine task to repair the breach and share with the world that we are in the LORD's Reign That the world has changed progressively because the old world passed away We are in the New Earth comprising freedom of freewill and all human freedoms without strings attached in Jesus name Some people do not wish the world to know about the changed world because the old world suited them They were in control of it and designed and determined the destinies of peoples and nations A role that is exclusively God's and not for mortals This book came together over many years The moment I identified darkness as my tormentors the next was to be in constant prayers God blessed me with a prayer anointing and this kept them at bay God answers my prayers I first self published this work in 2016 The Holy Spirit asked me to republish it a year ago I tried to republish it but ran into the usual games of distraction by darkness The prayers covers a vast every area of life Volume two is more in depth at repairing the breach

My Name is Mina David Almond, 2013-11-14 There's an empty notebook lying on the table in the moonlight It's been there for an age I keep on saying that I'll write a journal So I'll start right here right now I open the book and write the very first words My name is Mina and I love the night Then what shall I write I can't just write that this happened then this happened then this happened to boring infinitum I'll let my journal grow just like the mind does just like a tree or a beast does just like life does Why should a book tell a tale in a dull straight line And so Mina writes and writes in her notebook and here is her journal Mina's life in Mina's

own words her stories and dreams experiences and thoughts her scribblings and nonsense poems and songs Her vivid account of her vivid life In this stunning book David Almond revisits Mina before she has met Michael before she has met Skellig Shortlisted for the 2012 Carnegie Medal Out of Nihility Wu ZiQi,2020-04-21 Since the birth of the Yinyang Continent the two races of Yin and Yang had been born and bred The Yang Race possessed the attribute of goodness and possessed all sorts of superpowers to defend their goodness The attribute of the Yin Clan was evil Demons demons ghosts and other creatures belonged to it They wanted to enslave the Yang Clan and control the entire continent A youth who had comprehended creating from nothing from the Classic of Virtue was not tolerated by the current Heavenly Dao and had his body destroyed His soul by chance and coincidence was taken in by the Yinyang Continent and reborn into the body of an ordinary Yang Clan youth None The Yang race is good forsaken by the Evil God the Yin race is evil born of the Good God Tell me what is evil and what is good Close Liberating the Holy Name Daniel Spiro,2014-07-07 In an increasingly polarized world atheists and religious fundamentalists still agree on one thing how God must be defined Both dogmatically claim that God can only refer to the supernatural Lord of Scripture In Liberating the Holy Name Daniel Spiro takes square aim at this attempt to assert a monopoly over the meaning of divinity He explains how his Jewish atheist upbringing and later exposure to Orthodox Judaism set him on a lifelong search for truth and meaning through the annals of modern Jewish philosophy Christian theology and Islam He then reveals how this search has led to a highly original theology in which God can be conceived in the third person embraced in the second person and recognized in the first person Liberating the Holy Name leads the reader on a voyage through some of our species most influential and profound perspectives on divinity Spiro models how this search for divinity can be our greatest privilege while arguing that in order to appreciate this privilege we must liberate the Name itself from those who wish to monopolize it If successful he contends we will improve religion s standing in the world and unleash a powerful force for social unity **By Any Other Name** Lori Austin,2012-11-13 A Civil War romance as lush as the Southern countryside AVAILABLE DIGITALLY FOR THE FIRST TIME For Julia Colton spring in Missouri held the promise of dreamlike beauty But just beyond her family s land across Colton Creek were the Murphys an Irish immigrant family who sided with the Union Jayhawkers making them her father s sworn enemies But when Ryan Murphy saves Julia from a group of Jayhawkers she begins to question her alliances Is this kind young man with tender blue eyes truly her enemy or is he a dream of love come true Includes previews for Beauty and the Bounty Hunter and An Outlaw in Wonderland as well as the ebooks An Outlaw for Christmas and When Morning Comes Bridget, Or, What's in a Name? Girl without Name Hu LiHuLiMiFeng, 2020-04-29 A young girl called Wang Wang Wang Wang Because of her name she had been laughed at since she was young At the age of fifteen her father had passed away in a strange manner She had been targeted by a group of inhuman monsters Strangely they kept asking for her name As he fled the Maze of the Seven Roads the Diary of Dust the Micro powers a series of supernatural incidents came one after another Through her father's diary she learned that the history of the clan's lineage all originated from the divine genes that the Germans had found in Tibet during the Second World War However to unravel the final truth he still needed a key and that was Wang Wangwan's real name

Hi My Name Is Lisa and I Am an Addict Lisa Fisher, 2021-09-02 I believe that I was born with the disease of addiction it was just waiting for the right time to shine The summer going into grade nine proved to be that moment I loved how alcohol and drugs made me not care or think about how sad I was Over the years I have been and still am addicted to many things I've struggled with this disease I have lost and I have conquered Just when I think I'm in control along comes a crisis or a new relationship that tests my boundaries and my will Until we've worked on the part of the brain that causes these distorted thoughts we are going to continue repeating the cycle of insanity

Good Son is Sad If He Hears the Name of His Father Piotr Adamek, 2017-07-05 When in 1775 the scholar Wang Xihou compiled a dictionary called Ziguang he wrote for illustrative purposes the personal names of Confucius and the three emperors Kangxi Yongzheng and Qianlong in the introduction In oversight he recorded their complete names This accidental writing of a few names was condemned by Emperor Qianlong as an unprecedented crime rebellion and high treason Wang Xihou was executed his property confiscated and his books were burnt His family was arrested and his sons and grandsons were killed or sent as slaves to Heilongjiang It is surprising what an enormous impact the tabooing of names bishui had on Chinese culture The names of sovereigns ancestors officials teachers and even friends were all considered taboo in other words it was prohibited to pronounce them or to record them in writing In numerous cases characters identical or similar in writing or pronunciation were often avoided as well The tabooing of

names was observed in the family and on the street in the office and in the emperor's palace. The practice of *bihui* had serious consequences for the daily lives of the Chinese and for Chinese historiography. People even avoided certain places and things and refused to accept offices. They were punished and sometimes even killed in connection with the tabooing of names. The *bihui* custom existed as an important element of Chinese culture and was perceived as significant by Chinese and foreigners alike. It was crucial for implementing social values and demonstrating the political hierarchy. The present work *A Good Son Is Sad if He Hears the Name of His Father* is a systematic study of Chinese name tabooing customs which until now have been relatively little explored in Western language Sinological studies. It attempts to provide a long term perspective on the changing dynamics of tabooing and elucidates various aspects related to the fascinating topic of tabooing of names. **The Gospels of Matthew and Mark in Mingo Iroquoian for Singing** Thomas McElwain, 2017-04-05 A Mingo adaptation of the Asher Wright Seneca Gospels of Matthew and Mark with the Authorized Version glosses and hymns on each verse.

Journalism Worthy of the Name Herdís Thorgeirsdóttir, 2005-06-01 The subject of this study is freedom within the press: the nature and limits of the protection afforded to the journalistic imparting process which has been a neglected area of research. The analysis draws on the classical defenders of freedom of speech, Milton and Mill, to show that at the dawn of the 21st century the intertwined alliance between big business and public authorities resulting in the widespread phenomena of self-censorship within the media constitutes an almost insurmountable obstacle. Instead of enlightening the public and inspiring the individual, the press may be contributing to an inert public and individual cowardice antithetical to the objectives of human dignity and democracy. The core of the problem is that *prima facie* the infringement of freedom within the media is not exercised on legal premises and cannot therefore be solved within the legal framework. The operation of the press in society is conditioned by three types of regulation: legal regulation, market regulation and self-regulation. Legal regulation does not adequately presuppose the impact of the latter as it is based on the assumption that press freedom is mainly a negative liberty. The book explores the affirmative side of Article 10 of the European Convention on Human Rights to guarantee press freedom that is not merely illusory but practical and effective. Convention jurisprudence has not only influenced the domestic courts of the Contracting Parties but also the legislators of the Member States. In an era of globalization, dominant media operators wield power in their own domestic markets to impede national regulators in adopting interventionist media policies to secure journalistic freedoms. The Convention jurisprudence represents a kind of European *ius commune* which is here set in the context of an analysis reflecting the problems and values at issue and offering recommendations to alleviate a situation which threatens democratic ideals and public spirited journalism.
