What is an **income and expense statement**?

and expense statement is a financial statement that shows the flow of money into and out of a business or individual's budget.

How can an **Income and Expense Statement** help you manage money?

Example: paid financial statement

Make changes to increase net worth

Make changes to reach goals

Improve financial setting

Income

Income is money received

Earned Income is any money earned from working for pay

Unearned Income is income received from sources other than employment

Received Income from Government Programs offer a form of income, usually temporary

Two examples of earned income are wages or salary before deductions and commissions/tips/bonuses

Gross Income is money we earn before deductions

Net Income is money we actually take home

The income recorded in the income section of the statement is **gross income** income.

Two examples of **Unearned Income** are interest and investments

Two examples of **Income from government programs** are workers compensation and scholarships and grants
