Student Affairs Annual Report 2015 – 2016

"Through my experience with the Department of Student Involvement, I have developed a clear perspective of my identity and my passions. Prior to my participation as a Krewe Leader and programming intern for DSI, I attended classes each day and never participated in campus-wide activities. I struggled with developing a concept of the person I wanted to become in college and the reasons I chose to attend Loyola. Today, DSI and its staff allow me to feel at home and at peace. I would not have become the confident, outgoing, and driven person I am today without DSI and its staff. The staff's influence changed my life for the better, and I am forever grateful that the DSI staff have consistently believed in me."
