Marvelous Minilessons for Teaching Nonfiction Writing K-3 Lori Jamison Rog, 2015-12-11 Today's young learners know more about their world than ever before. This remarkable book shows that even our youngest writers can consider audience and purpose as they use nonfiction writing to document their ideas and share those ideas with others. But if students are going to be able to use writing to learn, they must have opportunities for learning to write. That's what this book is for. A wealth of hands-on minilessons offer strategies for writing informational, persuasive, and procedural text. Each lesson starts with a learning goal and follows an I do, we do, you do format. Teachers will find a wealth of ideas for guiding young students to write about what they know and care about. **Teaching Writing With Rubrics** Laura A. Flynn, Ellen M.
