

A close-up, cinematic shot of a Viking warrior. He has a thick, dark beard and is wearing a dark, ornate metal breastplate with a fur-lined cloak draped over his shoulders. He is holding a large, intricately decorated battle-axe with both hands. The background is a fiery, smoky landscape, suggesting a battlefield. The overall tone is gritty and intense.

Lust of the Vikings Virginia Wade,2013-08-03 Confronted by an invasion of fearsome raiders from the north two very different women must fight for their survival in this six part erotic series Lora Green poor and downtrodden has been labeled a witch and treated like an outcast her entire life When she is taken the lovely brunette fends for herself yielding to the heathens who demand her complete surrender She loses her heart in the process but not to the man she thought would be her lord and master Charlotte Abbot the daughter of the wealthiest man in the village is the epitome of everything a young lady ought to be Fleeing from the invaders she is plucked from the forest along with her sister Emma and an entirely different world presents itself filled with wine candles and a seduction so thorough she will never be the same again A man from the past emerges a knight on a horse come to rescue her Who is he This collection contains the six books of the Lust of the Vikings series by Virginia Wade *Vikings and the Vikings* Paul Hardwick,Kate Lister,2019-10-31 This essay collection is a wide ranging exploration of Vikings the television series that has successfully summoned the historical world of the Norse people for modern audiences to enjoy From a range of critical viewpoints these all fresh essays explore the ways in which past and present representations of the Vikings converge in the show s richly textured dramatization of the rise and fall of Ragnar Loobrok and the exploits of his heirs creating what many viewers label a true representation of the age From the show s sources in both saga literature and Victorian revival to its engagement with contemporary concerns regarding gender race and identity via setting sex society and more this first book length study of the History Channel series appeals to fans of the show Viking enthusiasts and anyone with an interest in medievalist representation in the 21st century The Vikings on Film Kevin J. Harty,2014-01-10 Factual and fanciful tales of the Nordic warriors known as Vikings have proven irresistible to filmmakers for nearly a century Diverse prominent actors from Kirk Douglas Richard Widmark and Sidney Poitier to Tim Robbins and John Cleese and noted directors including Richard Fleischer Clive Donner and Terry Jones have all lent their talents to Viking related films These fourteen essays on films dealing with the Viking era discuss American British and European productions Analyzed in detail are such films as *The Vikings* 1958 *The Long Ships* 1964 *Alfred the Great* 1969 *Erik the Viking* 1989 and *Outlander* 2008 as well as two comic strip adaptations the 1954 and 1989 films of *Prince Valiant* and the animated *Asterix and the Vikings* 2006 A comprehensive filmography is also included **A History of the Vikings** Sir Thomas D. Kendrick,2018-10-24 First published in 1968 The barbarians of the distant and little known north of Scandinavia that is and of Denmark became notorious in the ninth and tenth centuries as pests who plagued the outer fringes of the civilized This volume is an English narrative of the Vikings and their activities in the west far north as well as east and south east also The Age of the Vikings Anders Winroth,2016-03-01 A major reassessment of the vikings and their legacy The Vikings maintain their grip on our imagination but their image is too often distorted by myth It is true that they pillaged looted and enslaved But they also settled peacefully and traveled far from their homelands in swift and sturdy ships

to explore The Age of the Vikings tells the full story of this exciting period in history Drawing on a wealth of written visual and archaeological evidence Anders Winroth captures the innovation and pure daring of the Vikings without glossing over their destructive heritage He not only explains the Viking attacks but also looks at Viking endeavors in commerce politics discovery and colonization and reveals how Viking arts literature and religious thought evolved in ways unequalled in the rest of Europe The Age of the Vikings sheds new light on the complex society culture and legacy of these legendary seafarers

*The Vikings* Robert Wernick,2018-01-10 In the eighth century The Vikings the water borne warriors of Denmark Norway and Sweden conquered much of the British Isles They pillaged the coast of France pushed inland to sack Paris and seized Normandy Sweeping south down the great rivers of central Europe they overwhelmed the Slavs of Russia captured Kiev and clashed with the people of Constantinople the capital of the Byzantine Empire In all this the Vikings took untold treasures but they weren't just barbarians content to plunder and burn They were builders of cities founders of states writers of poetry and makers of laws The Vikings also were bold and tenacious explorers who ventured across oceans to discover new territories including the New World Indeed not since the golden age of the Roman Empire had any people so powerfully influenced the Western world Here from award winning journalist Robert Wernick is their dramatic story **The Vikings** Martin

Arnold,2006-11-08 This concise and balanced history traces the 300 year saga of the pirates and warlords who poured out of Scandinavia between the eighth and eleventh centuries terrorizing conquering and ultimately settling vast tracts of land throughout Europe Undaunted by the might of the Arab caliphates and the Byzantine Empire they founded Russia originated the bloodline that came to rule France and created a North Sea empire that included England They also established settlements across the North Atlantic notably in Iceland and Greenland and their adventurous spirit and extraordinary seafaring skills led them to explore and briefly build colonies in North America These were the Vikings initially ferocious pagan warriors seeking land and booty under the banners of their gods but eventually belligerent Christian kings commanding vast armies Martin Arnold provides a lively and accessible account of the early medieval period that became known as the Viking Age Drawing on rich literary and archaeological source material the first half of the book focuses especially on Viking culture religious beliefs and battle tactics and weaponry The second half ranges over the four main theaters of Viking activity the British Isles Western Europe the Slavic regions and the North Atlantic settlements Arnold vividly illustrates the two faces of the Vikings on the one hand savage greedy and implacable on the other adventurous innovative and artistic **The Viking World** Stefan Brink,Neil Price,2008-10-31 Filling a gap in the literature for an
