0620 CHEMISTRY

0620/01

Paper 1 – Multiple Choice, maximum raw mark 40

These mark schemes are published as an aid to teachers and students, to indicate the requirements of the examination. They show the basis on which Examiners were instructed to award marks.

Mark schemes must be read in conjunction with the question papers and the Report on the Examination.

The minimum marks for these components, needed for various grades, were previously published with these mark schemes, but are now instead included in the Report on the Examination for this session.

- CIE will not enter into discussion or correspondence in connection with these mark schemes.

CIE is publishing the mark schemes for the May/June 2006 question papers for most IGCSE and OCE Advanced Level and Advanced Subsidiary Level subjects and some Chinese Level syllabuses.
