Methodist Ceremonies In Ndebele And Shona:

Paul's Ethics of Reconciliation in Dialogue with Ndebele and Shona Ethnic Cohesion Gushe, Ishanesu Sextus, 2022-09-21
The tension between the Ndebele and Shona people dates back to the pre colonial era and this has been one of the major threats to Zimbabwe's peace. The book proposes Paul's ethics of reconciliation in the Corinthian correspondence as inspiration for social cohesion between the Ndebele and Shona tribes. The volume deploys Pauline key symbols: Christ the Cross of Christ, Ambassador, New Creation and Baptism as epistemological lenses in promoting identity tags that go beyond ethnicity. For these symbols to be effective, the author proposes setting up of the Truth and Reconciliation Commission (TRC), refraining from using ethnic offensive language, introduction of Ndebele and Shona languages in schools, substituting ethnic provincial names with neutral ones, substituting ethnic registration system of people with a neutral one and the devolution of power.

Counseling and Pastoral Care in African and Other Cross-Cultural Contexts Tapiwa N. Mucherera, 2017-11-03
The coming of Colonization and Christianity to Africa and other indigenous cross cultural contexts was a mixed bag of pros and cons. The impact of the advent of the two has had a lasting effect being felt even today. It created issues of bi-culturalism and bi-religiousness in personal and religious identities that counselors and the church need to address when working with people from these contexts. There is the existence of deep cultural trauma including psychological and spiritual scars needing healing for those living in most of these post colonial contexts. The Western counseling approaches and Christian rituals need contextualization. A counselor or pastoral caregiver with an integrative consciousness is required to address the psychological and religious identity conflicts existing in African and other indigenous cross cultural contexts.

South Africa is under attack from all sides when Elanza, a politically connected heiress blinded by disease and looking for love before it is too late, meets a naïve English boy, Ralph, eighteen and innocent, who has accidentally stumbled upon Elanza and South Africa's biggest secret. When Ralph disappears into the darkest part of the Continent to walk home overland, a Swazi spy, the only black African agent working for the apartheid era National Intelligence Service, comes into both of their lives. Angel Rots is uniquely qualified for his official mission to find Ralph and a private mission to settle an old score, but in a pursuit from Cape Town to Cairo, Ralph is always one step ahead and Angel starts to ask questions. Why is this kid so important? What has he found? Looking for answers, Angel discovers a secret that challenges his own loyalties and could change the course of history. From illegal nightclubs in South Africa to poachers in Zimbabwe and the Batwa pygmies of Burundi, from arrests in Uganda and drugged hit men in Kenya to thieving Sudanese nuns and a final confrontation in the bazaars of Old Cairo, no one would make it home without an angel watching over them. This pulse-pounding thriller will delight fans of espionage fiction as well as keen readers who see the parallels of the nuclear weapons threat in the book and modern day politics.

Oral Tradition in Southern Africa Ngwabi

Bhebe,2002

Harold-Barry: A Mission Divided ,2023-04-05 ELEVEN JESUITS SET OUT FOR THE INTERIOR OF SOUTHERN AFRICA BY OX WAGON IN APRIL 1 879 ON A MISSION TO PREACH THE CHRISTIAN GOSPEL TO THE PEOPLE BEYOND THE LIMPOPO RIVER WITHIN A YEAR AND A HALF THREE OF THEM WERE DEAD They shared the same ignorance of Africa as their European contemporaries concerning disease geography culture religion and the political rivalries of the people among whom they came They also shared a narrow frame of reference towards the continent and the failure of imagination that went with it Further as people of their time they saw and were seen by other denominations as rivals and far from co operating the churches indulged in an unseemly competition And yet these men were in their own way heroic and faced the difficulties eagerly even joyfully Their failures and disappointments far outweighed the little progress they appear to have made but they laid the foundations for what was to follow after 1890 when the colony of Southern Rhodesia was established This event inaugurated a ninety year period when relations between church and state waxed and waned The missionaries welcomed the order even if it could not be called peace and the infrastructure the colonisers introduced The speed of travel for instance went from about 15 km a day by ox wagon to 30 km an hour by train But the Church and the Jesuits were for long the drivers of what we mean by Church never managed to decide on a coherent policy vis a vis the white government until it was too late They were divided the majority of Jesuits worked with blacks but there was a sizeable number who worked exclusively with whites So while we can document the enormous and fruitful work that was done over the decades after 1890 we have to acknowledge the failure to give a united witness in confronting the nakedly racist policies of the state If we had been able to do this in the 1920s and 30s we might have contributed to the evolution of a more harmonious society and avoided the terrible bloodshed of subsequent years
