

A woman with long brown hair, wearing a white sleeveless dress, is sitting in a meditative pose on a stone platform. She has her hands pressed together in a prayer position and is smiling. Behind her is a large, tall, light-colored rock. The background shows a green field, distant mountains, and a blue sky with clouds. A bright light flare is visible on the right side of the image.

The Gateway Process Classified CIA Process revealed Igor Berner,2025-10-19 When I first came across the declassified CIA documents known as The Gateway Process I wasn't looking for conspiracies I was looking for truth What I found changed everything I thought I knew about reality consciousness and the limits of the human mind In this book I explore the once classified CIA program that sought to bridge science and spirituality revealing techniques for out of body travel energy alignment and transcending physical reality Through careful study analysis and personal reflection I connect the dots between government research frequency manipulation and the ancient understanding of human potential I didn't write this as a sensational story I wrote it because I believe everyone deserves to know how far the mind can go when freed from illusion and fear The Gateway Process isn't just a document It's a map to the hidden dimensions of the self one that the government once tried to keep secret *Goddess Kali, God Thoughts, Sri Sri Ramakrishna and A Few Slices of Sri Sri Ramakrishna's Soul (Introducing 'SoulOlogy')* Dr. Siddhartha Ganguli,2024-05-11 Hinduism is a polytheistic religion For the Hindus Goddess Kali is the only austere down to earth deity who believes in absolute simplicity and openness She does not hide her body she is naked with her private parts covered by a garland of severed hands of demons slain by her Her mind is overt as she sticks out her tongue representing her thirst for the blood of evil people whom she is determined to overpower and also her feeling of shame Her soul yearns for pure and authentic love She is unlike other Hindu goddesses who are opulently dressed and majestically ornamented Kali's child God incarnate Sri Sri Ramakrishna like his mother goddess is casual not only about his dress but also about his worshipping habits This book looks at Ramakrishna his method of devotion his yearning for the goddess and his value system and entire philosophy It analyses the Hindu Saint's soul and its slices that he had shared and still continues to share even today long after he left this planet with those who understand him thoroughly and are meant to propagate his message The author's method of analysis and treatment of the subject are unique as no other Kali or Ramakrishna scholar had used for their probes earlier **The gateway experience guidance manual** Robert A.
