

723 Let There Be Peace on Earth

Let there be peace on earth, and let it be - gin with me.

Let there be peace on earth, the peace that was meant to be. With

God as our Fa - ther, broth - ers
chil - dren all are we.

Let me us walk with my broth - er
each oth - er in per - fect har - mo - ny.

Let peace be - gin with me; let this be the mo - ment now.

With ev - 'ry step I take, let this be my sol - emn vow; To

take each mo - ment, and live each mo - ment in peace e - ter - nal - ly!

Let there be peace on earth, and let it be - gin with me.

Wonderful Words of Life Richard J. Mouw, 2004-08-02 While many evangelical congregations have moved away from hymns and hymnals these were once central fixtures in the evangelical tradition This book examines the role and importance of hymns in evangelicalism not only as a part of worship but as tools for theological instruction as a means to identity formation and as records of past spiritual experiences of the believing community Written by knowledgeable church historians Wonderful Words of Life explores the significance of hymn singing in many dimensions of American Protestant and evangelical life The book focuses mainly on church life in the United States but also discusses the foundational contributions of Isaac Watts and other British hymn writers the use of gospel songs in English Canada and the powerful attraction of African American gospel music for whites of several religious persuasions Includes appendixes on the American Protestant Hymn Project and on hymns in Roman Catholic hymnals Contributors Susan Wise Bauer Thomas E Bergler Virginia Lieson Brereton Esther Rothenbusch Crookshank Kevin Kee Richard J Mouw Mark A Noll Felicia Piscitelli Robert A Schneider Rochelle A Stackhouse Jeffrey VanderWilt

The Sounds of Our Offerings Charlotte Kroeker, 2011-10-24 The Sounds of Our Offerings is good news about the music of the church It recounts what has been learned from studying nine congregations

where music promotes the full active conscious participation of the worshipers and where it has done so consistently and coherently for many years Pastors and musicians reflect on their work together and offer rich insights about what works and what does not Lay musicians and members of the congregation also share their experiences with music in worship Though no site was without its struggles and at times difficult choices had to be made for the most part we see unremarkable week to week year to year faithful rendering of music for prayer and praise We see that sometimes the nature of the music took a slightly different turn one that built upon the foundations of the past The music choices in these churches are not restricted to one particular era or style but rather reflect the broader church s music repertoire including the best recently written music These are the stories of churches with a reputation for their fine music programs churches that with their leaders and congregations have worked out these programs in consistent coherent ways In most cases the programs span multiple priests pastors and musicians The Sounds of Our Offerings is about excellent music and how it has found its way into the life and faith practices of these congregations
