Dancing Tango Kathy Davis,2015-01-02 Argentinean tango is a global phenomenon Since its origin among immigrants from the slums of Buenos Aires and Montevideo it has crossed and re crossed many borders Yet never before has tango been danced by so many people and in so many different places as today Argentinean tango is more than a specific music and style of dancing It is also a cultural imaginary which embodies intense passion hyper heterosexuality and dangerous exoticism In the wake of its latest revival tango has become both a cultural symbol of Argentinean national identity and a transnational cultural space in which a modest yet growing number of dancers from different parts of the globe meet on the dance floor Through interviews and ethnographical research in Amsterdam and Buenos Aires Kathy Davis shows why a dance from another era and another place appeals to men and women from different parts of the world and what happens to them as they become caught up in the tango salon culture She shows how they negotiate the ambivalences contradictions and hierarchies of gender sexuality and global relations of power between North and South in which Argentinean tango is and has always been embroiled Davis also explores her uneasiness about her own passion for a dance which when seen through the lens of contemporary critical feminist and postcolonial theories seems at best odd and at worst disreputable and even a bit shameful She uses the disjuncture between the incorrect pleasures and complicated politics of dancing tango as a resource for exploring the workings of passion as experience as performance and as cultural discourse She concludes that dancing tango should be viewed less as a love hate embrace with colonial overtones than a passionate encounter across many different borders between dancers who share a desire for difference and a taste of the elsewhere *Dancing Tango* is a vivid intriguing account of an important global cultural phenomenon **Insight Guides Explore Buenos Aires (Travel Guide eBook)** Insight Guides,2017-06-01 Take a fresh approach to Buenos Aires with this brand new Explore guide Lavishly illustrated in full colour this book features 14 fantastic self guided routes written by a local expert and packed with great insider tips Whether you are new to the city or a repeat visitor whatever your interests and however long your stay this book is the perfect companion showing you the smartest way to link the sights and taking you beyond the beaten tourist track All the routes come with clear easy to follow full colour maps A Key Facts box at the start of each tour highlights the

recommended time needed to enjoy it to the full plus the distance covered and a start and end point all this makes it simple to find the perfect tour for the time you have to spare Try some of the hand picked places to eat and drink and sleep or refer to the clearly organised A Z of practical information to get to grips with the city About Insight Guides Insight Guides has over 40 years experience of publishing high quality visual travel guides We produce around 400 full colour print guide books and maps as well as picture packed eBooks to meet different travellers needs Insight Guides unique combination of beautiful travel photography and focus on history and culture together create a unique visual reference and planning tool to inspire your next adventure Insight Guides has spawned many imitators but is still the best of its type Wanderlust Magazine *The Rough Guide to Argentina (Travel Guide eBook)* Shafik Meghji,2016-10-03 The Rough Guide to Argentina is the ultimate guide to this beguiling country with detailed coverage of its beautiful cities and wild national parks You ll find all the practical information you need as well as suggested itineraries historical and cultural context and our expert authors top tips Reviews in Rough Guides honest tell it like it is style show you the best places to eat sleep drink dance and shop no matter what your budget Get to know the cosmopolitan capital Buenos Aires with a sultry tango class dinner at a secretive puerta cerrada restaurant or a raucous football match learn about the mysterious gauchos with an asado in a frontier town or a stay at an estancia and follow in the footsteps of Che Guevara with your own trip along some of South America s most iconic roads Whether you re climbing mountains and sailing past glaciers or sipping wine in a sunlit vineyard the clear maps and authoritative prose of The Rough Guide to Argentina will help you make the most of your time in this captivating country
