*Life is Not a Game of Perfect* Bob Rotella, 1999-04-02 Most people think talent is genetically determined Either you can sing or you can't You get calculus or it's beyond you You have what it takes to succeed or you don't The truth about human performance is far more encouraging says Dr Bob Rotella in *Life Is Not a Game of Perfect* Dr Rotella the bestselling author of **Golf Is Not a Game of Perfect** and **Golf Is a Game of Confidence** believes that talent as conventionally defined and measured plays a

secondary role in determining one's fate. Far more important is real talent, a combination of character, attitude, and devotion which makes greatness possible. And the good news is that anyone can develop real talent. As always, Dr. Bob Rotella speaks from experience. He has made a career of helping people chase and catch their dreams. His authority as a sports psychologist is well known. Golfers from Tom Kite to David Duval to Pat Bradley have relied on him to help them break through to triumphs on the PGA Tour. But Bob Rotella's practice extends beyond the sports world. He is a consultant on performance enhancement to leading businesses such as Merrill Lynch, General Electric, and PepsiCo. He has worked with successful people in businesses ranging from law to entertainment. From hundreds of clients and countless students, Dr. Bob Rotella has learned what works. In *Life Is Not a Game of Perfect*, he shares what he has learned and what he teaches his clients. Real talent, he explains, is brilliance of a different sort. It is the nerve to choose a career doing something you love or the ability to learn to love what you do. It is courage, persistence, and determination. It is the ability to handle failure and honor commitments. Whether you think so or not, real talent is within your grasp. In *Life Is Not a Game of Perfect*, Dr. Bob Rotella will help you make it a decisive element in your life. He can show you how to identify and cultivate the qualities that lead to success, prosperity, and happiness.

Media, 2022-04-17T22:59:00Z. Please note: This is a companion version, not the original book. Sample Book Insights: 1. The dreams I want to hear about are the emotional fuel that helps people take control of their lives and be what they want to be. They are the goals and aspirations of golfers who are passionate about the game. 2. I heard something similar from Byron Nelson recently. He had always dreamed of owning a ranch, and golf was the only way he was going to get it. He was all but done as a competitive player when he got that ranch paid for. 3. Golfing potential depends on a player's attitude. It is the well-being of a player with the wedges and the putter and how well he thinks. It is not dependent on a player's physical characteristics. 4. The champions I've worked with have a strong will, and they all have dreams. They make a long-term commitment to pursue those dreams. It can be difficult for a person with potential to become great if everyone around them expects them to win all the time.

***Golf is Not a Game of Perfect*** Dr. Bob Rotella, 2012-12-11. Dr. Bob Rotella is one of the hottest golfing performance consultants in the world today. Unlike other performance consultants, Rotella goes beyond the usual mental aspects of the game and the reliance on specific techniques. In this extraordinary book, and with his clients, he creates an attitude and a mindset about all aspects of the golfer's game, from mental preparation to competition. And as some of the world's greatest golfers will attest, the results are spectacular. Filled with charming and insightful stories about golf and the golfers, Rotella works with *GOLF IS NOT A GAME OF PERFECT* will improve the game of even the most casual weekend player.

*The Unstoppable Golfer* Bob Rotella, 2012-04-03. From the bestselling author of *Golf Is Not a Game of Perfect* and the preeminent golf psychologist to the game's top players comes the defining guide to mastering the enormous challenges of chips, pitches, bunker shots, and putts. Dr. Bob Rotella is the preeminent golf psychologist to the game's top

players he has coached stars like Keegan Bradley Padraig Harrington and Darren Clarke and he has offered his advice to golfers of all skill levels in his bestselling books including *Golf Is Not a Game of Perfect* and *Golf Is a Game of Confidence*. Now he tackles the mind's role in the most difficult aspect of golfing the short game. It's no secret that more than two thirds of the shots a golfer makes are short ones putts chips and pitches. Long drives may garner applause but whether a golfer wants to win the Masters or just five bucks from a friend on Saturday morning it's the little shots that make the difference. Yet many players either fail to recognize or choose to ignore the importance of the short game. In *The Unstoppable Golfer* Dr Rotella applies the same wisdom and experience that have worked for clients like Davis Love III and Graeme McDowell to help every golfer master this special art of short shots and take all the frustration out of this increasingly challenging element of the game. Requiring extraordinary levels of concentration the short game is typically a source of fear for amateurs and pros alike. In this book Dr Rotella teaches readers how to overcome that fear by using their minds to achieve a state of calm in which the focus is on one thing alone the hole. Rotella shares stories about professionals with whom he has worked who have mastered the psychological aspect of successful putting by adhering to simple but hard to follow rules and practices that will improve any golfer's game: stay focused on your targets visualize your shots commit to your routine and accept completely whatever happened to the golf ball. On top of citing his experiences with golfers Dr Rotella also probes the science of memory and how knowledge of the brain's workings especially those areas that deal with physical tasks can markedly improve a golf game particularly when it comes to getting out of a bunker or taking the measure of a long putt. For casual and dedicated golfers alike a better short game provides one of the ultimate pleasures of golf a pleasure they will come to know by training their minds to allow them to become unstoppable golfers. Since 1984 golfers coached by Dr Bob Rotella have won a total of 74 major professional titles: 2 Masters tournaments 12 U.S. Opens 12 British Opens 11 PGA Championships 4 U.S. Women's Opens 6 LPGA Championships 5 Kraft Nabisco Championships 5 Tradition Championships 7 Women's British Opens 2 Senior PGA Championships 5 U.S. Senior Opens 3 Senior Players Championships.
