*The Women's Guide to Lower Scores* Kellie Stenzel, 2004-05 You have managed to develop a respectable game of golf but your score just doesn't seem to be getting any lower We have all experienced the frustration of getting right up to the edge of the green only to throw away numerous shots with a missed chip or one too many putts and now is the time to take responsibility for your score and your short game will be the quickest way to do this The short game is more different for women than any other part of the game The short game schools are often advertised as 100 yards in and shots of 100 yards may be a full 7 or 8 iron for many women But the short game provides a wonderful opportunity for women to even the playing field A good short game can compensate for a multitude of mistakes and take a lot of pressure off the full swing By identifying strengths and weaknesses from the smallest stroke to the largest swing and applying simple methods for quick skill improvement you will learn to self correct and better manage your own golf game Beginning with advice on making better decisions about shot selection and practice techniques from fairway and bunker to green The Women's Guide to Lower Scores will take players through the steps they need to conquer the game and bring on the lower scores

*Complimentary Tales* David T. Straw, 2017-10-23 Dane Carmichael could not be happier He has just married the love of his life and is now on the honeymoon of his dreams in the Maldives On Dane's wrist is an Omega watch gifted to him by a pilot when he was just a boy He only wears it when he flies and it helps him feel safe When he finds a strangely familiar deck of playing cards in his hotel room drawer with a code written on one of the cards Dane has no idea just how far that deck of cards has come As the past interweaves with the present a story soon emerges behind a deck of playing cards given by a kindly fellow passenger to a lonely eleven year old boy flying to visit his family While the cards bind characters and their unique stories they come to life as suits are dealt on different continents shuffled for different games and held during worthy conversations As the cards travel all over the world life comes full circle as their amazing power binds strangers forever *Complimentary Tales* shares the fascinating tale behind an old deck of playing cards as it is passed around the world and affects the lives of all who play a hand
