Internet Children's Television Series, 1997-2015 Vincent Terrace,2016-08-22 Created around the world and available only on the web internet television series are independently produced mostly low budget shows that often feature talented but unknown performers Typically financed through crowd funding they are filmed with borrowed equipment and volunteer casts and crews and viewers find them through word of mouth or by chance The fifth in a series focusing on the largely undocumented world of internet TV this book covers 573 children s series created for viewers 3 to 14 The genre includes a broad range of cartoons CGI live action comedies and puppetry Alphabetical entries provide websites dates casts credits episode lists and storylines

Show and Biz María Blanco,Alberto Mingardi,2023-06-29 How is capitalism represented in popular culture today Are profits seen as a legitimate reward of entrepreneurship Are thrift and effort still considered a cornerstone of a healthy society Or is it that inequalities are eliciting scandal and reproach How is the ecosystem portrayed vis vis profit seeking companies Are they irreconcilable or maybe not

Are there any established trends with respect to the presentation of entrepreneurship and that complex legal artefact that is the modern limited liability company These are questions that will be at the core of this book But they are not examined through the usual theoretical point of references but looking at TV series produced in 2000 2020 Each chapter of this book is a case studies covering some of the most popular successful and engaging TV shows of the last 20 years And showing how deep economic ideas and biases lie at the roots of some of our times most successful entertainment products *The Extra-Ordinary Girl* Tina Belinda Benigno,2025-07-18 Positioning the teen girl as a figure possessing exceptional power with the potential to instigate change this book examines the extra ordinary girl as she exists under neoliberalism today Through a combination of textual and cultural analyses of figurations of girlhood in popular culture and qualitative research group interviews with teen girls the author emphasizes the importance of listening to real teen girls whose perspectives and values might not match those attributed to dominant cultural models of girlhood This book explores contemporary girl figures and figurations of girlhood on and off screen highlighting how girls who are not in the public eye negotiate standards of exceptionality in relation to their own experiences of social power while also defining the importance of care and connection to their relationships and personal values This book is a unique and comprehensive combination of methodological and conceptual approaches to cultural historical and sociological analyses while exploring questions of feminism and the speculative fiction genre It will appeal to girlhood and feminist studies film and media studies child and youth studies humanities cultural studies and social sciences **Encyclopedia of Television Shows, 1925 through 2010, 2d ed.** Vincent Terrace,2014-01-10 This fully updated and expanded edition covers over 10 200 programs making it the most comprehensive documentation of television programs ever published In addition to covering the standard network and cable entertainment genres the book also covers programs generally not covered elsewhere in print or even online including Internet series aired and unaired pilot films erotic series gay and lesbian series risque cartoons and experimental programs from 1925 through 1945 Women in Popular Culture Laura L. Finley,2023-03-24 Including more than 300 alphabetically listed entries this 2 volume set presents a timely and detailed overview of some of the most significant contributions women have made to American popular culture from the silent film era to the present day The lives and accomplishments of women from various aspects of popular culture are examined including women from film television music fashion and literature In addition to profiles the encyclopedia also includes chapters that provide a historical review of gender domesticity marriage work and inclusivity in popular culture as well as a chronology of key achievements This reference work is an ideal introduction to the roles women have played both in the spotlight and behind it throughout the history of popular culture in America From the stars of Hollywood s Golden Age to the chart toppers of the 2020s author Laura L Finley documents how attitudes towards these icons have evolved and how their influence has shifted throughout time The entries and essays also address such timely topics as feminism the MeToo movement and the gender pay gap Girls Catherine Driscoll,2002

Driscoll argues that both girls and culture as ideas are too problematic to fulfill any useful role in theorizing about the emergence of feminine adolescence in popular culture

Slut Narratives in Popular Culture Laurie McMillan, 2024-08-19
 Slut Narratives in Popular Culture explores representations of slut shaming and the term slut in U S popular media 2000 2020 It argues that cultural narratives of intersectional gender identities are gradually but unevenly shifting to become more progressive and sex positive Moving beyond prior research on slut shaming which exposes problematic connotations between women s morality and a sexual purity associated with White economic privilege this book examines how narratives that perpetuate slut shaming are both contested and reinscribed through stories we circulate It emphasizes effects of twenty first century developments in digital communication and entertainment The rapid evolution of genres combined with increased access to the consumption and production of texts stimulates more diverse storytelling The book s analyses demonstrate twenty first century changes in how slut shaming is depicted and understood while encouraging consumers and producers of pop culture to attend to cultural narratives as they reify or challenge the subordination of vulnerable populations Aimed primarily at an academic audience this book will also engage general readers interested in intersectional feminism pop culture new media digital technologies and sociolinguistic change Readers will become more adept at deconstructing assumptions embedded in popular media especially narratives informing slut shaming

Teen TV Stefania Marghitu, 2021-05-26 Teen TV explores the history of television s relationship to teens as a desired but elusive audience and the ways in which television has embraced youth subcultures tracing the shifts in American and global televisual and teen media Organized chronologically to cover each generation since the inception of the medium in the 1940s the book examines a wide range of historical and contemporary programming from the broadcast bottleneck multi channel era that included youth targeted spaces like MTV the WB and the CW to the rise of streaming platforms and global crossovers It covers the thematic concerns and narrative structure of the coming of age story and the prevalent genre formations of teen TV and milestones faced by teen characters The book also includes interviews with creators and showrunners of hit network television teen series including Degrassi s Linda Schuyler and the costume designer that established a heightened turn in the significance of teen fashion on the small screen in Gossip Girl Eric Daman This book will be of interest to students scholars and teachers interested in television aesthetics TV genres pop culture and youth culture as well as media and television studies

MTV and Teen Pregnancy Letizia Guglielmo, 2013-05-30 In 2009 16 and Pregnant premiered on MTV closely followed by the spinoffs Teen Mom and Teen Mom 2 Because of their controversial portrayals of teenage mothers the shows have received ongoing media attention While some argue that the programs could play a factor in reducing the number of teen pregnancies others claim the shows exploit young women and glamorize their situations Among these debates there have been surprisingly few in depth discourses that discuss the roles such shows have on teenage audiences In MTV and Teen Pregnancy Critical Essays on 16 and Pregnant and Teen Mom contributors from a variety of backgrounds and expertise

offer potent essays about these programs Divided into four parts the book tackles the controversial representations of teen pregnancy from various disciplines Part I explores gendered social norms and the shows roles as either educational resources or idealized depictions of teenage motherhood Part II prompts readers to consider the intersections of race class gender and the social and cultural power structures often glossed over in these programs Part III focuses on teenage fathers the portrayal of masculinity and good vs bad parents Part IV draws from TV's representations of reality to discuss the impact of these shows on the viewing audience This section includes a narrative from a teen mother who argues that the shows do not accurately reflect the life she leads As the debates about 16 and Pregnant and Teen Mom continue this collection provides a valuable critical discourse to be used both inside and outside the classroom Those engaged in courses on gender and women's studies as well as media studies social work and family and childhood development will find MTV and Teen Pregnancy especially insightful as will those involved in community outreach programs not to mention teens and young mothers themselves

what is acceptable aggressiveness *Japanese Visual Media* Jennifer Coates, Eyal Ben-Ari, 2021-08-12 This book uncovers and explains the ways by which politics is naturalized and denaturalized and familiarized and de familiarized through popular media It explores the tensions between state actors such as censors politicized and nonpoliticized audiences and visual media creators at various points in the history of Japanese visual media It offers new research on a wide array of visual media texts including classical narrative cinema television documentary film manga and animated film It spans the militarized decades of the 1930s and 1940s through the Asia Pacific War into the present day and demonstrates how processes of politicization and depoliticization should be understood as part of wider historical developments including Japan s postwar devastation and poverty subsequent rapid modernization and urbanization and the aging population and economic struggles of the twenty first century *Teen Television* Sharon Marie Ross, Louisa Ellen Stein, 2008-04-05 This essay collection explores the phenomenon of teen TV in the United States analyzing the meanings and manifestations of this category of programming from a variety of perspectives Part One views teen television through an industrial perspective examining how networks such as WB UPN The CW and The N have created a unique economic framework based on demographic niches and teen focused narrowcasting Part Two focuses on popular teen programs from a cultural context evaluating how such programs reflect and at times stretch the envelope of the cultural contexts in which they are created Finally Part Three explores the cultures of reception including the realms of teen consumerism fan discourse and unofficial production through which teens and consumers of teen media have become authors of the teenage experience in their own right *Introduction to Austin Butler* Gilad James, PhD, Austin Butler is a well known American actor who has amassed a large following over the years He was born on August 17 1991 in Anaheim California and he was raised in a family that was involved in entertainment Butler has had an interest in acting at a young age and he began taking acting classes when he was just thirteen years old He made his acting debut in 2005 when he appeared in an episode of the Nickelodeon series Ned s Declassified School Survival Guide Since that time Butler has appeared in numerous television shows and films including Zoey 101 Hannah Montana and Ruby and the Rockits Some of his other notable roles include those in Switched at Birth The Carrie Diaries and The Shannara Chronicles Butler has received praise for his acting abilities and his ability to connect with audiences and he has been nominated for several awards for his work He continues to be active in the entertainment industry and is considered to be one of the most talented and promising young actors of his generation Overall Austin Butler is a talented and versatile actor who has made a name for himself in the entertainment industry He has many fans who appreciate his talent and his ability to bring characters to life onscreen With his passion for acting and his dedication to his craft it seems likely that Butler will continue to be a major presence in the entertainment industry for many years to come *Reading Transatlantic Girlhood in the Long Nineteenth Century* Robin L. Cadwallader, LuElla D'Amico, 2020-05-13 This collection is the first of its kind to interrogate both literal and metaphorical transatlantic exchanges of culture and ideas in nineteenth century girls fiction As

such it initiates conversations about how the motif of travel in literature taught nineteenth century girl audiences to reexamine their own cultural biases by offering a fresh perspective on literature that is often studied primarily within a national context Women and children in nineteenth century America are often described as being tied to the home and the domestic sphere but this collection challenges this categorization and shows that girls in particular were often expected to go abroad and to learn new cultural frames in order to enter the realm of adulthood those who could not afford to go abroad literally could do so through the stories that traveled to them from other lands or the stories they read of others travels Via transatlantic exchange then authors readers and the characters in the texts covered in this collection confront the idea of what constitutes the self Books examined in this volume include Adeline Trafton s An American Girl Abroad 1872 Johanna Spyri s Heidi 1881 and Elizabeth W Champney s eleven book Vassar Girl Series 1883 92 among others Introduction to Amanda Bynes Gilad James, PhD, Amanda Bynes is an American actress singer and fashion designer born on April 3 1986 in Thousand Oaks California She grew up in an entertainment focused family and made her debut in television at age seven At the age of ten Bynes starred in her own sketch comedy show The Amanda Show which aired on Nickelodeon from 1999 to 2002 Her success on the show led to roles in various films including Big Fat Liar What a Girl Wants and She s the Man Bynes received critical acclaim for her performance in the 2007 film Hairspray and was nominated for a Screen Actors Guild award Despite her early success Bynes experienced personal struggles in her adulthood including legal issues related to drug abuse and mental health concerns In 2010 she announced her retirement from acting which she later revealed was due to her difficulties with addiction In recent years Bynes has been pursuing a career in fashion design and has been open about her mental health challenges including her diagnosis with bipolar disorder Despite the challenges she has faced Amanda Bynes s talent and enduring popularity continue to make her an influential figure in the entertainment industry
