Hopwood,2019-09-17 Christmas is the most wonderful time of the year or at least we want it to be Too often our celebration of Jesus birthday is overwhelmed by bright lights and tinsel overspending and overeating plus constant chatter about a war on Christmas Can t we do better than this There are two Christmases One is sacred One is secular The two have clashed in one culture war or another for 1 700 years Christmas is not as some falsely claim a pagan holiday but pagan influenced traditions are part of the seasonal clutter Keeping Christmas is about helping you find joy in a season of excess and strife Part survival guide part history part cultural commentary and all laced with spiritual reflection this book is about how you can celebrate in ways that are most meaningful to you and your family It s not easy to thread your way through the Christmas maze But if Ebenezer Scrooge could learn to keep Christmas well so can you Maybe it s time to reinvent Christmas Maybe we can get it right this time      **Reports** New Hampshire,1893

Rysen,2017-06-16 Captivating mysteries and gripping suspense blended within Christian philosophical and some political ideologies and a healthy dose of imagination result in a fast paced thriller a stimulating and thought provoking story Masterfully composed and written the story leaves absolutely nothing unturned and is intriguing throughout in every sense Andrew a steadfast atheist has defied his parent s attempts to raise him to be a Christian for over thirty years However his life and the lives of his family have been turned upside down by Islamic Jihadist terrorists who are out to kill them as well as detonate a series of nuclear weapons in an effort to destroy America And if that weren t enough one nuclear device rests in a location in the United States so unique so ingenious its distinct placement alone can render the entire world

uninhabitable As Andrew and his family cope with the terrorists and the pending apocalypse their beliefs and lives are put to the ultimate test Is this the end of time predicted in the Book of Revelation The story and its ending explore some possibilities that will be hard to ignore and some eye opening revelations As the tale culminates in an unexpected and most surprising conclusion that in itself becomes an absolute and decisive anecdote the reader will realize that it intends to deliver several messages The story is inspirational subtly educational and may be interactive as it is saturated with clues hints hidden meanings and symbolisms that relate to how the story unfolds Most are subtle and will require some thought to discern however it is not required that the reader make a conscious effort to try to identify and interpret these or participate where it is interactive to enjoy the story Although the story is intense with substance it is also irresistibly alluring and enchanting in an ingenious way and will appeal to anyone looking for a story that is rich with riveting suspense and mysteries in a setting that may be relevant to today s world For more information about the book visit the author s website at <https://www.inthecourseofthreehours.com>      Report of the ...
