Gangel, 2007-12-01 Since Jean Lipman Blumen s *The Allure of Toxic Leaders* shook the corporate world in 2005 countless articles books and Internet blogs have appeared on the topic Despite such interest and response no study of toxic leadership had appeared from a Christian point of view until this volume Kenn Gangel s *Surviving Toxic Leaders* Gangel begins by showing that toxic leadership existed throughout biblical history Making generous use not only of biblical materials but also of contemporary leadership literature Gangel names the causes and cures of power abuse cheating bullying laziness and dictatorial behavior in today s leaders Readers will benefit from Gangel s leadership experience and expertise He has been a pastor a college dean twice and a college president Gangel currently edits *The Seal* a review of leadership literature Practical and personal *Surviving Toxic Leaders* abounds with stories of real people and their situations Everyone who has ever had trouble at work will benefit from *Surviving Toxic Leaders* *Too Stupid to Fail* Dr. Stephen Crawford, 2021-11-21 *Too Stupid to Fail* is an examination of the effects self consciousness doubt and anxiety have on one s ability to succeed and achieve their goals By challenging and eventually overcoming these barriers one will gain a renewed self confidence leading to success in both personal and professional settings *Rewards through Resilience* Steven W. Sanders, 2023-12-05 *Struggle* is a real world phenomenon particularly if we want to make a difference in our lives and the lives of others The struggles we face can be as routine as dealing with the traffic to get to our place of work on time We may also struggle with

physical or mental illness a family dynamic that is not improving or a difficult job In extreme cases some must live through oppression and life threatening events brought on by an oppressive regime Struggle is an effort to gain freedom from constraints to withstand or overcome obstacles or to work against competing forces in order to make a meaningful change or difference Whether we encounter frequent struggles or only a few we all must face them not necessarily by choice We are aware of the pain and difficulties associated with struggles as well as the feeling of gratification and relief when we withstand outlast or overcome them We learn from struggles together with building strength of character and resilience the next time we encounter similar challenges How we engage and overcome struggles shapes our attitudes and perspectives regarding our lives and our ability to make a difference in the lives of others

From the Ballfield to the Boardroom Brian Goff,2005-04-30 No one can deny that sports and business are two of the most potent forces in our culture today Sport play and the terms and phrases that define them are engrained in our collective psyche influencing the ways in which we conduct business as a game with rules of engagement tournaments of competition the shame that accompanies defeat and the bragging rights that accrue to the victor The parallels are ubiquitous as the NFL s Bill Parcells stated in a Harvard Business Review article my guess is that the challenges I ve faced are not all that different from the ones that executives deal with every day People are people and the keys to motivating them and getting them to perform to their full potential are pretty much the same whether they re playing on a football field or working in an office From the Ballfield to the Boardroom draws from Brian Goff s expertise as a managerial economist to shed new light on the sports business connection Using dozens of examples from across the spectrum of professional and college sports he analyzes the ways in which key decisions are made on the playing fields and locker rooms and applies these lessons to the corporate context From the distinctive leadership styles of legendary coaches Tom Landry Vince Lombardi John Wooden and Bobby Knight among others to such culturally significant developments as the racial integration of Major League Baseball and the meteoric rise of NASCAR Goff draws from the world of sports to provide a solid foundation in the managerial arts including assessing risk and uncertainty conducting market and competitive analysis wooing customers fostering an innovative culture managing information and communication flows and resolving labor disputes The result is an incisive look at the sport of business with practical insights for successful management at all levels of your organization

The Best Job in the World Vic Goddard,2014-02-27 It is hard to imagine how one decision to make a TV series would lead to this Vic Goddard says As much as I have been uncomfortable at times through the last two years it is hard to be anything other than thankful that we did it The school has grown stronger and even closer the students have had some great opportunities and I have been lucky to learn so much and meet some amazing people I really do love my job who wouldn t I get to work with committed professionals for the most amazing energy givers in the world my great young people at Passmores Academy and to be part of a community that strives to continually improve itself I want my book to encourage teachers at all stages of their careers and those considering

entering the profession to at least consider being a Headteacher Day after day we hear and read about the pressures of being a Headteacher but we really don't hear enough about the pure joy of it The journey from trainee NQT to head can seem to be a long and often treacherous road with many reasons to not travel it I want to show you that it can be done for those who know me well they are saying if Vic can do it anyone can and it can be done without losing your own passion and moral purpose I want to share with you the pitfalls that I fell into in the hope that you can avoid them and share the amazing influences and experiences I have picked up on the way Need we say more **Counter Mentor Leadership** Kelly S. Riggs, Robby Riggs, 2018-01-16 Disregard everything you've been taught about leadership 2018 GOLD MEDAL Axiom Business Book Award Winner This book is the result of over three decades of combined experience from Kelly and Robby Riggs dynamic occasionally irreverent always insightful father Boomer and son Millennial who work with organizations grappling daily with multi generational conflict Through their collaboration Kelly and Robby share their very different perspectives on the same problems most companies are STILL dealing with but haven't had the courage or the tools to address Issues such as a shocking lack of leadership skills the culture killing generational divide that is demolishing many companies and the stunning often unrecognized impact of technology on the workplace In their shamelessly funny brilliantly written debut book Kelly and Robby Discuss today's workplace dynamics including the changes in communication modes the influx of technology and the impact of Millennials and Digital Natives Explain how a one sided approach to leadership focused on managing Millennials is grossly insufficient resulting in an inability to attract and retain critical young talent Explore the new challenges of leadership inherent with the explosion of technology time compression distractions complexity and the pace of change Reveal how old leadership challenges persist and explore how the younger generation will expose those challenges more than ever Detail the CounterMentor leadership model and prescribe specific tactics and techniques for addressing both old and new leadership issues
