Good Old Neon Signs You Re In Chicago:

Good Old Neon Nicholas Carlin Freeman, 2014-11-21 What constitutes a great sign For me it s an elusive synchronicity of color shape typography and iconography enhanced by authenticity and eccentricity Signs that have been maintained and still illuminate are always beguiling The fragility of glass tubing continuously exposed to harsh Chicago weather makes the survival of an old sign a kind of urban miracle deserving at the least of photographic preservation Even the many that have outlived their functional glory days have their own visual appeal Animated neon signs working or not are a special treat Nick Freeman from the Foreword Delight in Chicago s rich neon heritage with this full color collection of gaudy garish and downright spectacular signs From the far South Side to the Wisconsin Dells Good Old Neon documents the familiar and the obscure capturing in over 130 photos these fast disappearing artifacts of a glorious era when brightly lit signs filled the urban landscape

Small Acts of Sex and Electricity Lise Haines, 2007-09-01 Beauty and privilege a charming handsome husband and two promising young daughters money a beach house on the Pacific Jane has everything that Mattie thinks she wants But Jane always works to damage what she s given Mattie knows that better than anyone But even she is caught off guard when Jane leaves her whole life behind one broken morning before dawn And it will take Mattie awhile to see that by driving away Jane has forced open the questions that have always hung in the air between them the ones that are hardest to answer questions about desire and envy and integrity These are the issues of the heart that reveal themselves not through the bold and dramatic gestures of a woman like Jane but in even the briefest moments and the smallest of acts With the same rich language and keen compassionate eye that earned acclaim for her first novel Lise Haines delves here into the forces that memory and touch raise in our lives and our most private hungers
