The Text of Handel's Messiah Marybeth Hauffe, 2025-03-28 Is Handel's Messiah anti Judaistic The question has been coursing through the academic world for some time now This book shows the oratorio's text to be more often than not in agreement with traditional Jewish translation and commentary Moreover its divergences from ascribed King James Version and Book of Common Prayer texts in preference for those sourced by the Codex Alexandrinus and Peshitta evidence not only librettist Charles Jennens' philological prowess but also the oratorio itself as example of eighteenth century English scholarship at its very best Der Text von H ndels Messiah Eine Zeitkapsel der fr hneuzeitlichen Textkritik Ist H ndels Messiah anti judaistisch Die Frage bewegt zurzeit die akademische Diskussion Die Studie zeigt dass dieser Vorwurf ins Leere greift Denn der Oratorientext stimmt mit traditionellen j dischen bersetzungen und Kommentaren berein Die Abweichungen von der King James Version und dem Book of Common Prayer die dem Codex Alexandrinus und der Peschitta entsprechen beweisen nicht nur die hohe philologische Gr ndlichkeit des Librettisten Charles Jennens sondern auch die ausgewogene Komposition des Oratoriums selbst Das Libretto ist ein Beispiel bester englischer Wissenschaft des 18 Jahrhunderts

The Cycle of Troy in Geoffrey Chaucer José Maria Gutiérrez Arranz, 2009-10-02 The aim of the author of this book is to bring home not only to researchers but to every kind of audience the repercussions of a literary topic that was an essential part of Classical education and even more a crucial subject in and outside the academic world In ancient Greece and Rome the Cycle of Troy was viewed as an essential compilation of information and educational models which was a vivid testimony throughout the history of Greek and Roman influence Yet in the middle Ages Trojan myths just as with those concerning other characters like Hercules or Jason were transformed into models of human behaviour i e underwent the process of moralization We say Moralitee to point out how Geoffrey Chaucer recreates those myths Although we will extensively discuss how Chaucer recreates the Trojan myths in his works we can anticipate what the reader will find Chaucer manipulates his material from a multifold point of view first of all Chaucer was a man of his times an unquiet mind and personality who always plays different games with that material We might consider heroic the fact that Chaucer would pour out on his work the great background that the European writers mainly Boccaccio Dante and Petrarch supplied him we will remember how difficult collecting information was in a period of vast lack of what we might call media Come what may he projects his wisdom to stress the most surmounting aspects of the formal characterization of the myths and integrates them into the proper contexts of his works as one of the key forces that the audience is expected to revive with the

knowledge that it is supposed to own **The Collected Writings of Franz Liszt** Janita R. Hall-Swadley, 2012-04-20 During his early years Franz Liszt worked as a traveling piano virtuoso his adventures highlighted by his entrance into the literary world as a correspondent for the most popular French journals of his time In this second volume of Janita Hall Swadley's *The Collected Writings of Franz Liszt* Liszt's work as a music essayist and journalist is on full display In his essays readers will see the influence of the revolutionary theories of Hugues Felicit Robert de Lamennais Victor Hugo and Francois Ren de Chateaubriand as Liszt boldly calls for social reforms on behalf of musicians and musical institutions from demands for a repertoire of church music of divine praise to the timely publication of inexpensive music editions In addition to Liszt's scandalous review of Sigismond Thalberg and the fiery exchange that ensued the essays include his testimonies to living composers Giacomo Meyerbeer and Robert Schumann and the recently deceased Niccol Paganini Alongside the essay this new translation of Liszt's letters opens a window onto the composer's immersion in the Italian countryside where he paints a portrait of a rich musical landscape Liszt regales his correspondents with amusing anecdotes at Sand's Italian country estate in Nohant describes the beautiful landscape and artistic treasures of Italy from his residence on Lake Como defends himself from Heinrich Heine's accusations of his ill seated character discusses the religious aesthetic of Raphael's painting and offers his thoughts on the interconnectedness of all the arts Including two complete facsimile reproductions of the existing manuscripts for *De la situation des artistes* and *Sur Paganini propos de sa mort* *Essays and Letters of a Traveling Bachelor of Music* is a must read for student and scholars of 19th century classical music *Memory and Forgetting in the Post-Holocaust Era* Alejandro Baer, Natan Sznaider, 2016-11-25 To forget after Auschwitz is considered barbaric Baer and Sznaider question this assumption not only in regard to the Holocaust but to other political crimes as well The duties of memory surrounding the Holocaust have spread around the globe and interacted with other narratives of victimization that demand equal treatment Are there crimes that must be forgotten and others that should be remembered In this book the authors examine the effects of a globalized Holocaust culture on the ways in which individuals and groups understand the moral and political significance of their respective histories of extreme political violence Do such transnational memories facilitate or hamper the task of coming to terms with and overcoming divisive pasts Taking Argentina Spain and a number of sites in post communist Europe as test cases this book illustrates the transformation from a nationally oriented ethics to a trans national one The authors look at media scholarly discourse NGOs dealing with human rights and memory museums and memorial sites and examine how a new generation of memory activists revisits the past to construct a new future Baer and Sznaider follow these attempts to manoeuvre between the duties of remembrance and the benefits of forgetting This the authors argue is the ethics of Never Again *Murdering Ministers* Lars Kaaber, 2016-08-17 *Murdering Ministers* integrates everything worth knowing about Shakespeare's *Macbeth* from four centuries of criticism and performances stage as well as film in a scene by scene close reading that provides the reader with an exhaustive knowledge of the play and answers

questions that have captivated us for centuries Did Burbage the first Macbeth enter on horseback When does the idea of regicide first occur to the Macbeths Why does Macbeth withhold part of the witches prophecy from his wife Is Banquo honest Did Shakespeare believe in witchcraft Why is the play cursed What has happened to the baby that Lady Macbeth has given suck Answers to this and much more come from actors critics and directors of countless productions since 1606 Moreover Murdering Ministers is an expedition into the historical context of Macbeth the politico religious turmoil of Jacobean England It is hardly a coincidence that Shakespeare s play of regicide and witchcraft followed hard upon an assassination attempt on James I author of a manual on black magic and how to detect it but did the playwright mean to praise or to provoke his king with the Scottish Play Finally the book questions the tradition of the play as an exclusively sombre tragedy with all humour confined to the brief appearance of the porter in Act II Macbeth is in fact full of hilarious dramatic irony rarely explored or exploited since the early 19th century Although it may be a stretch to call it a comedy there is plenty to laugh at It wouldn t be Shakespeare otherwise

The Collected Writings of Franz Liszt: F. Chopin Janita R. Hall-Swadley, 2011-07-15

Shortly after Chopin s death in 1849 Franz Liszt wrote the first full length biography of his fellow composer As one of Chopin s friends Liszt created a unique biography that allows the reader to experience the world of Chopin through the memories of one of his most adamant supporters This translation is the starting volume of Janita Hall Swadley s The Collected Writings of Franz Liszt the very first production of Liszt s entire literary collection in English In addition to the English translation of Liszt s *Gesammelte Schriften* collected and edited by Lina Ramann and published in Germany in 1880-83 each volume contains a Foreword written by a scholar and expert on Liszt and that volume s topic New research and perspectives in the field of Liszt studies are presented in the introduction to each book in the series and the translations themselves are enhanced with annotations in accordance with modern standards of musicological research In Volume 1 Liszt provides insight into Chopin s early childhood and musical development the cultural traditions and customs that inspired the polonaises and mazurkas and the final days and hours of the composer before he died Liszt also offers the reader a psychological view of the composer that had not been seriously undertaken by anyone prior to Liszt Although Liszt offered what some scholars regard as perhaps an idealized image of the composer readers will enjoy the personal anecdotes and memories that only one close to the late composer could have known Liszt even takes on the sensitive topic of the love affair between Chopin and the great French woman writer George Sand much to the displeasure of the former s family The Collected Writings of Franz Liszt Volume 1 F. Chopin includes a thorough discussion of Liszt as an author and the tainted past that surrounded his writings beginning in the 1930s The much neglected topic of Liszt s relationship with his publishers is explored and the critical questionnaires that Liszt had sent to Chopin s sister in preparation for writing the biography are included Finally a discussion of the professional and personal relationship between Chopin and Liszt is provided making this volume a valuable addition to the study of both composers
