A Hidden Heart Ignacio Haro, 2024-11-19 The story follows the Benecke family as they are uprooted from their home in Liechtenstein by the Gestapo and are sent by cattle car to Auschwitz concentration camp Through lucid details and engaging dialogue the author captures the traumatic and melancholy experiences the family and countless other Jewish men women and children undergo as prisoners in the most notorious of death camps From their arrival on the platform and through the selection process the family witnesses the traumatic horrid acts of violence perpetrated upon the innocent prisoners by the sadistic heartless camp personnel Through their faith in God tacit resilience and the unorthodox assistance of an SS officer the family finds a way to survive and share their experiences for posterity

Hidden Hearts Larry Smith, Betty Beeby, 2019-03-25 The original story of Hidden Hearts The Peterborough Letters begins when Betty Beeby finds a cache of decades old letters and diaries in an old barn on the family property in northern Michigan Along with veteran journalist Larry Smith she sorts and makes sense out of dozens of letters and diaries depicting a fascinating and colorful world long gone This is the story of Minnie Griffin and the child she bore out of wedlock in 1876 Minnie is told her son is dead a month after his birth Instead unbeknownst to its mother the child has been put up for adoption Twenty seven years later the son Loren Post seeks Minnie out By then she has an orderly independent life as a dressmaker in Peterborough Ontario The shock of learning her son is alive shatters her peace and plunges her into a tumult of raging emotions It is 1904 when Loren takes off to meet his best friend and road buddy Norton Pearl at the World's Fair in St Louis But first he must go to Peterborough to meet and spend a week with Minnie The adventure will take the two young men to the fair and beyond to New Orleans Texas the Grand Canyon Oregon and Montana while Minnie pursues him with letters posted via general delivery Captivating and comical experiences spring to vibrant life through the original writings of the young men and women whose stories intersect with Minnie and Loren and Norton Hidden Hearts The Peterborough Letters is an extraordinary look into 1904 America It portrays authentic hallmarks of a particular time in our history the earnest appetite for culture and self improvement the casual unthinking racism and sexism and the respect for hard work and endurance But it is also a touching human story of a family reunited that will stay with you for a long time

Augustine's Invention of the Inner Self Phillip Cary, 2000 Phillip Cary argues that Augustine invented the concept of the self as a private inner space a space into which one can enter and in which one can find God This study pinpoints what was new about his philosophy of inwardness and situates it within a narrative of his intellectual development and relationship

to the Platonist tradition **Augustine's Invention of the Inner Self : The Legacy of a Christian Platonist** St. David's Phillip Cary Director of the Philosophy Program Eastern College, Pennsylvania,2000-06-12 In this book Phillip Cary argues that Augustine invented the concept of the self as a private inner space a space into which one can enter and in which one can find God Although it has often been suggested that Augustine in some way inaugurated the Western tradition of inwardness this is the first study to pinpoint what was new about Augustine s philosophy of inwardness and situate it within a narrative of his intellectual development and his relationship to the Platonist tradition Augustine invents the inner self Cary argues in order to solve a particular conceptual problem Augustine is attracted to the Neoplatonist inward turn which located God within the soul yet remains loyal to the orthodox Catholic teaching that the soul is not divine He combines the two emphases by urging us to turn in then up to enter the inner world of the self before gazing at the divine Light above the human mind Cary situates Augustine s idea of the self historically in both the Platonist and the Christian traditions The concept of private inner self he shows is a development within the history of the Platonist concept of intelligibility or intellectual vision which establishes a kind of kinship between the human intellect and the divine things it sees Though not the only Platonist in the Christian tradition Augustine stands out for his devotion to this concept of intelligibility and his willingness to apply it even to God This leads him to downplay the doctrine that God is incomprehensible as he is convinced that it is natural for the mind s eye when cleansed of sin to see and understand God In describing Augustine s invention of the inner self Cary s fascinating book sheds new light on Augustine s life and thought and shows how Augustine s position developed into the more orthodox Augustine we know from his later writings Married To The Enemy: The Prince With A Hidden Heart Michael A Ward, In a twist of fate Jiang Fuyuan became a stand in bride married off to a noble heir on his deathbed to bring him luck She saved his life out of kindness only to be repaid with betrayal as he repeatedly sent assassins to kill her Her mentally unstable sister envied her and plotted her downfall A playboy prince became infatuated with her only for their love story to end in a cruel twist they turned out to be siblings Then there was the heir s sister who was actually a man in disguise Smitten with Jiang Fuyuan at first sight she repeatedly made moves on her and even faked death to escape his female identity Determined to gain her freedom and dissolve the marriage Jiang Fuyuan tread carefully through every step Yet by a strange twist of fate she was ultimately pushed onto the imperial throne and became empress With the truth of the fake heir exposed their marriage was naturally annulled **A Road Trip Into America's Hidden Heart - Traveling the Back Roads, Backwoods and Back Yards** John Drake Robinson,2012-11 He bought the car a dozen years ago Together they traveled every mile of every road on his highway map a 250 000 mile journey to discover the real America beyond the interstate Real people Obscure places Forgotten facts His story unfolds in Missouri but it could be about any state any traveler who drives into America s hidden heart The Tree of Enchantment Orion Foxwood,2025-09-12 In Faery Seership the truths we seek can only be found within ourselves within nature and within our relationships to nature At the

center of the Faery Tradition lies the Tree of Enchantment the symbol for these relationships and for the threefold life of humanity At each level of the tree there are attending spirit forces that vary from beings of light to beings of shadow from the ancestors of humanity to the architects of form and nature from the destiny of our planet to the creation forces of the universe The tree s roots grow through the lower world where all life originates and the dead travel its trunk and lower branches reach out across the middle world where elemental forces and the four directions guide us and its highest branches reach the into the upper world and the Star realm Weaving together folk tradition and extensive academic research Orion Foxwood has created an accessible beautifully written pathway into the Old Religion of Faery Seership Based on Appalachian traditions Wiccan studies Celtic oral traditions and the Craft from Western and Northern Europe The Tree of Enchantment offers the student of Faery Tradition both introductory and advanced visionary practices and authentic tools to learn to navigate the three realms of humanity With diligence and an open heart the reader will learn to cross The River of Blood pass through The Gate of Awakening and over The River of Stars Hidden Treasures of the Heart Donald Downing,2000 What is hidden in your heart Your heart is the key to life both natural and spiritual If you aren t careful with your heart you run the risk of becoming vulnerable to the attacks of the enemy This book explains the changes you need to make to ensure that your commitment to God is from the heart and encourages you to make those changes Don t miss out on the greatest blessing of all a clean heart **Within and without.
