

“

As your classes and grading are now complete, may you strive toward excellence in all you do.

As the speeches conclude, may your voices rise up to pronounce justice and peace in the world.

As the fanfares cease, may you sing of joy, even in the dark and lonely places. As the applause quiets, may you celebrate and lift up those around you.

As you graduate, may your achievements grow and cause growth in your communities.

And may we all know of the overwhelming blessings of the One who created all things.”

Called to Bless John Rice,2024-05-23 Humans were created to bless one another those they love and those they do not According to Scripture Num 6 27 God promises to release more of his blessings more of his goodness grace and love into the world In Hebrew the word for bless means God s intention When people speak words of blessing in God s name they

are praying for the fullness of God's intentions to be released into their lives. In a world where division and polarization are becoming normative, God gives a new ministry resource: blessing ministry. The power of blessing can bridge those gaps and bring healing to the individuals involved. There is no individual situation, no community need where blessing prayers are not beneficial. Wherever there is joy and celebration in people's lives, blessing prayers bring only more joy and thanksgiving. There is an awakening in the lives of God's people wherever the ministry of blessing is being taught and practiced. Communities are experiencing greater health. Churches are becoming more alive. Hearts are being healed and lives transformed simply by blessing others in Jesus' name. God is calling his people to become a people of blessing.
