Raising Critical Thinkers Julie Bogart,2023-08-01 A guide for parents to help children of all ages process the onslaught
of unfiltered information in the digital age Education is not solely about acquiring information and skills across subject areas
but also about understanding how and why we believe what we do At a time when online media has created a virtual firehose
of information and opinions parents and teachers worry how students will interpret what they read and see Amid the noise it
has become increasingly important to examine different perspectives with both curiosity and discernment But how do
parents teach these skills to their children Drawing on more than twenty years experience homeschooling and developing
curricula Julie Bogart offers practical tools to help children at every stage of development to grow in their ability to explore
the world around them examine how their loyalties and biases affect their beliefs and generate fresh insight rather than
simply recycling what they ve been taught Full of accessible stories and activities for children of all ages **Raising Critical
