His One Desire:

The Broken Statue Bob Perry,2006-11 Buried in the red soil of the Oklahoma prairie is a secret only Charlie McDonagh can fully reveal Charlie is an ordinary man who is witness to extraordinary events and people A stone statue of a striking young woman broken into a hundred pieces is uncovered from the dirt of a remote location a broken statue representing shattered lives and shattered dreams The story of the statues is one of love greed betrayal power and crushed aspirations The statue symbolizes what was and what could have been A tale of a great oil empire betrayed destroying the lives of the family who built it An intriguing story based on the real life legacy of the Marland Mansion and the statue still located within its walls *The Elements Of Practical Psycho-Analysis* Paul Bousfield,2013-11-05 First Published in 1999 This is Volume I of twenty eight in the Psychoanalysis series Written around 1922 the object of this work is to give an account of the theory technique and scope of psychoanalysis in such a form that its essentials may readily be understood by the student or practitioner without previous systematic reading in psychology and psychotherapy **Cosmic Preeminence** R L Coursey,2018-06-26 Many who correctly exalt the preeminence of Christ in their theology may yet oppose His preeminence with their priorities Our priorities reveal our portion and location does not change that portion For the psalmist declared the preeminence of Christ in both heaven and earth Whom have I in heaven but Thee and there is none upon earth that I desire besides Thee Ps 73 25 Whenever there are two things that are good the believer who has his priorities aligned with the kingdom never rejects the lesser but always prefers the better And when one of these is finite and the other infinite there must be no competition in his choice Since Christ is preeminent in creation cosmic preeminence must be infinitely higher in our affections than cosmic redemption The new view on heaven is popular because it legitimizes the priorities of a consumer culture by always emphasizing the latter while merely including the former While both are equally true they are not truly equal The priority of the beatific vision is evidenced by the superiority of its object Therefore we should always emphasize the former without failing to mention the latter Once creation and redemption are paired together in our priorities the preeminence of Christ slowly becomes less important and how to gain and or enjoy creation is always the primary emphasis both in this life and the next Like Christ we must differentiate between His kingdom and all those things that are merely added unto us in this life and on the future new earth With the Kingdom clearly in view we must prioritize that mandate Great Commission through which Christ has chosen to extend His kingdom and work of redemption in the world The Creation Mandate given before the Fall like all the commands is not redemptive in nature and the church is the only society of the redeemed Our new identity in Christ without eliminating infinitely supersedes our creation identity simply because Christ infinitely supersedes all creation in worth The problem with exchanging the Great Commission with the Cultural Mandate is that the present mission of Christ to build His church becomes secondary to His work of providence in culture the power of the gospel becomes secondary to the power of our example and moral influence on society and culture and the

preeminence of Christ is no longer based on His person and work but on the success of our work among people We always proclaim what we are wrote Martyn Lloyd Jones by our priorities *Titus Groan* Mervyn Peake, 2007-06-26 First in the classic gothic trilogy A masterpiece a moody melancholy comedy with an underlying wit and profundity that cannot be denied Speculiction The basis for the 2000 BBC series Now in development by Showtime As the novel opens Titus heir to Lord Sepulchra has just been born He stands to inherit the miles of rambling stone and mortar that form Gormenghast Castle Meanwhile far away and in the kitchen a servant named Steerpike escapes his drudgework and begins an auspicious ascent to power Inside of Gormenghast all events are predetermined by complex rituals the origins of which are lost in time The castle is peopled by dark characters in half lit corridors Dreamlike and macabre Peake s extraordinary novel is one of the most astonishing and fantastic works in modern fiction Praise the Gormenghast Trilogy Mervyn Peake is a finer poet than Edgar Allan Poe and he is therefore able to maintain his world of fantasy brilliantly through three novels It is a very very great work Robertson Davies New York Times bestselling author A sumptuous poetic epic considered by some to have an equal or even greater degree of importance to the development of modern fantasy as Tolkien s The Lord of the Rings SFF180 Mervyn Peake s gothic masterpiece the Gormenghast trilogy begins with the superlative *Titus Groan* a darkly humorous stunningly complex tale of the first two years in the life of the heir to an ancient rambling castle This true classic is a feast of words unlike anything else in the world of fantasy Those who explore Gormenghast castle will be richly rewarded SFF Book Reviews Politics, Society and Stalinism in the USSR John Channon, 1998-07-15 Over the past two decades in the West there has been a substantial re appraisal of the Stalinist period Social historians in particular have focused their attention on the social dynamics of Stalinism This collection of essays is based on a conference held at the School of Slavonic East European Studies the University of London on Stalin and Stalinism The contributors have analysed specific areas of the research available on Stalin and Stalinism in the USSR debate Their work should be placed within the context of current scholarship in the field both in the Former Soviet Union and the West This groundbreaking text will be critical in stimulating interest in the subject and providing material for further debate Education Ellen G.
