His Daughters Best Friend English Edition:

What Every Father Should Know About His Daughter by the Time She Is 17 (Hopefully) Dale S Johnson, Kevin C Whitlock, 2010-04-21 I recently found out something about my daughter that as a father I should have known As the father I believed myself to be I should have found out It s not important what I found out what is important is that I realized that as close as I felt I was to my daughter there were somethings I did not know I discovered other fathers in my cohort felt the same way I am not saying that fathers should snoop Frankly the answers to some of these questions simply come from having a conversation with our daughters Conversation not inquisition As fathers we know that one day we are rocking her to sleep while watching Elmo on the next moment she is trying to get us to watch Lifetime or is it Oprah It is our hope that as time passes and you both get older and wiser that missed time does not translate into missed opportunities and that this book will ensure that your little princess never turns into a stranger or you to her She would love to tell you if you would just ask Perhaps she has already told you but you were not listening I thank God for putting this book in my heart I pray and hope that this book finds its way into other father s hands so that they will know **Laceys of Liverpool** Maureen

Lee, 2010-09-09 A compelling Liverpool story of deep emotion and tangled family relationships which hide a dreadful secret Alice Lacey couldn t be more different from her sister in law Cora Alice is married to John Cora to his hapless younger brother Billie Both women give birth to sons on one chaotic night in 1940 It is Cora s jealousy and resentment that prompts her to swap her puny baby for Alice s beautiful son With Alice s marriage in tatters she borrows money from Cora in order to purchase the lease of the tiny hairdresser where she works Alice is talented the business thrives and a chain of salons becomes Laceys of Liverpool The relationships between the cousins Cormac and Maurice their parents Alice s three girls and their eventual husbands and children combine to give a unique picture of Liverpool in the last sixty years of the twentieth century **How the Hitman Stole Christmas** Katie Reus, 2023-10-24 She hates Christmas and everything that goes with it

Explosives expert Elliana hates Christmas and the only good thing about this holiday season is that her gorgeous neighbor seems allergic to shirts and clothes in general She knows because she s been watching him for months with her drone She s never stalked anyone before but he not only doesn t seem to mind he puts on nightly strip shows just for her When she finally works up the courage to talk to him she stumbles right into a murder that he s committed But this holiday is one she ll never forget According to Theo the whole murder thing is no big deal the dead guy needed killing And while her hot neighbor wants her protecting her is his main priority So when she s targeted this cinnamon roll hitman kidnaps her for her own good With a deadly threat hunting them and a hot hitman who keeps handcuffing her to him for her own protection Elliana is starting to reconsider her grinchy stance on the holidays And when everything finally comes to a head the results are bound to be explosive *White Masculinity in Crisis in Hollywood's Fin de Millennium Cinema* Pete Deakin, 2019-10-15 *White Masculinity in Crisis in Hollywood's Fin de Millennium Cinema* claims that Hollywood cinema had a significant relationship

with the millennial crisis of masculinity From Fight Club Fincher 1999 and American Psycho Harron 2000 to Office Space Judge 1999 The Matrix Wachowski s 1999 and American Beauty Mendes 1999 Pete Deakin attests that alongside the emergent crisis came a definitive body of some twenty five Hollywood crisis titles each film with a representational concern for the apparent masculine malaise Asking whether Hollywood helped create propel or sooth the very notion of the crisis of masculinity at this time Deakin engages with some important cultural questions how discursive or even authentic was it and more vitally whose actual crisis was this To this end scholars of film studies media studies gender studies history and sociology will find this book particularly useful
