The Holy Catholic Church Edward Meyrick Goulburn, 1874 **The Holy Spirit** Dr. Brian J. Bailey, 2014-01-05 The Comforter is not simply another book on theology but a very practical and useful guide for finding a pathway into the Spirit filled and Spirit led life Those who desire to intimately know and experience the Holy Spirit will be blessed as they read Dr Bailey s discussion of seven aspects of the Holy Spirit The Person of the Holy Spirit The Ministry of the Holy Spirit The Seven Spirits of the Lord The Baptism of the Holy Spirit The Nine Gifts of the Spirit The Nine Fruits of the Spirit The Spirit filled and Spirit led Life **The Christian Witness, and Church Member's Magazine** ,1862 *A Library of Fathers of the Holy Catholic Church, Anterior to the Division of the East and West* ,1848 **Getting the Holy Ghost** Peter Marina, 2013-01-30 This book carries an ethnographic signature in approach and style and is an examination of a small Brooklyn New York African American Pentecostal church congregation and is based on ethnographic notes taken over the course of four years The Pentecostal Church is known to outsiders almost exclusively for its members bizarre habit of speaking in tongues This ethnography however puts those outsiders inside the church pews as it paints a portrait of piety compassion caring love all embraced through an embodiment perspective as the church s members experience these forces in the most personal ways through religious conversion Central themes include concerns with the notion of spectacle because of the grand bodily display that is highlighted by spiritual struggle social aspiration punishment and spontaneous explosions of a variety of emotions in the public sphere The approach to sociology throughout this work incorporates the striking dialectic of history and biography to penetrate and interact with religiously inspired residents of the inner city in a quest to make sense both empirically and theoretically of this rapidly changing surprising and highly contradictory late modern church scene The focus on the individual process of becoming Pentecostal provides a road map into the church and canvasses an intimate view into the lives of its members capturing their stories as they proceed in their Pentecostal careers This book challenges important sociological concepts like crisis to explain religious seekership and conversion while developing new concepts such as God Hunting and Holy Ghost Capital to explain the process through which individuals become tongue speaking Pentecostals Church members acquire Holy Ghost Capital and construct a Pentecostal identity through a relationship narrative to establish personal status and power through conflicting tongue speaking ideas Finally this book examines the futures of the small and large institutionally affiliated Pentecostal Church and argues that the small Pentecostal Church is better able to resist modern rationalizing forces retaining the charisma that sparked the initial religious movement The power of charisma in the small church has far reaching consequences and implications for the future of Pentecostalism and its followers *A Library of Fathers of the Holy Catholic Church, Anterior to the Division of the East and West: The homilies of S.
