3. Give reasons for both the North and the South.
4. Though the formal army of the colonists was smaller, weaker, less experienced, and less skilled than the British, how did the colonists prove early on that they would put up a strong fight during the American Revolution?
5. Why was the Battle of Saratoga a turning point in the war for the Americans? What did the British learn from this battle? What did the French learn? The Americans? The Indians?
6. Why was the South important to the British? How did the colonial "guerrillas" help keep the British from taking the south and marching north?
