Teaching History in the Era of Globalization: Epistemological and Methodological Challenges Cosme J. Gómez Carrasco,Pilar Rivero,Álvaro Chaparro-Sainz,2022-10-20 **Narrating the Soviet Era in Russian School History Textbooks** Olga Konkka,2025-09-03 This study focuses on how Russian history textbooks published between 1992 and 2021 dealt with the topic of the Soviet period 1917 1991 Representations of this part of Russia s past in school manuals have provoked vivid debates and bolstered government intervention in the field while a gradual shift towards a less critical narrative of the USSR in more recent textbooks is often presented as directed by Vladimir Putin This study combines research into these texts and inquiry into those who write publish approve or criticize them Bringing together these perspectives provides a more complex view of school textbooks as final products of both top down and bottom up processes This volume is aimed at postgraduates researchers and academics specializing in Soviet history contemporary Russian politics and society and history education and textbooks The Palgrave Handbook of History and Social Studies Education Christopher W. Berg,Theodore M. Christou,2020-04-03 This Handbook presents an international collection of essays examining history education past and present Framing recent curriculum reforms in Canada and in the United States in light of a century long debate between the relationship between theory and practice this collection contextualizes the debate by exploring the evolution of history and social studies education within their state or national contexts With contributions ranging from Canada Finland New Zealand Sweden the Netherlands the Republic of South Africa the United Kingdom and the United States chapters illuminate the ways in which curriculum theorists and academic researchers are working with curriculum developers and educators to translate and refine notions of historical thinking or inquiry as well as pedagogical practice *The Cold War in the Classroom* Barbara Christophe,Peter Gautschi,Robert Thorp,2019-10-23 This book is open access under a CC BY 4 0 license This book explores how the socially disputed period of the Cold War is remembered in today s history classroom Applying a diverse set of methodological strategies the authors map the dividing lines in and between memory cultures across the globe paying special attention to the impact the crisis driven age of our present has on images of the past Authors analysing educational media point to ambivalence vagueness and contradictions in textbook narratives understood to be echoes of societal and academic controversies Others focus on teachers and the history classroom showing how unresolved political issues create tensions in history education They render visible how teachers struggle to handle these challenges by pretending that what they do is just history The contributions to this book unveil how teachers backgrounding the political inherent in all memory practices often nourish the illusion that the history in which they are engaged is all about addressing the past with a reflexive and disciplined approach **Developing Historical Thinkers** Bruce A. Lesh,2023 Learn how to engage students in investigating the past Lesh provides research based guidance to help teachers grades 6 12 develop and use questions that guide historical inquires align assessment to inquiry and incorporate

International Handbook on Education in Southeast Asia Lorraine Pe Symaco, Martin Hayden, 2021-12-23 This International Handbook provides a detailed account of the education systems of 11 Southeast Asian nations including Brunei Darussalam Cambodia Indonesia Lao People s Democratic Republic Malaysia Myanmar the Philippines Singapore Thailand Timor Leste and Vietnam It presents a systematic sector by sector explanation of how these national education systems deliver educational services and respond to national and international issues and challenges With 56 chapters the International Handbook is the region s most comprehensive educational reference source In the first of its

chapters the editors introduce the regional context and draw attention to the distinctive characteristics of each of the 11 systems Southeast Asia representing 8.5% of the world's population is as dynamic as it is diverse The International Handbook charts progress and establishes a benchmark for documenting future developments It also provides a stepping off point for more detailed investigations of decision making processes and outcomes across the 11 national education systems *Utah Code Annotated 1953* Utah,1953 *The Politics of Memory in Poland and Ukraine* Tomasz Stryjek,Joanna Konieczna-Salamatin,2021-09-30 Bringing together the work of sociologists historians and political scientists this book explores the increasing importance of the politics of memory in central and eastern European states since the end of communism with a particular focus on relations between Ukraine and Poland Through studies of the representation of the past and the creation of memory in education mass media and on a local level it examines the responses of Polish and Ukrainian authorities and public institutions to questions surrounding historical issues between the two nations At a time of growing renationalization in domestic politics in the region brought about by challenges connected with migration and fear of Russian military activity this volume asks whether international cooperation and the stability of democracy are under threat An exploration of the changes in national historical culture *The Politics of Memory in Poland and Ukraine* will appeal to scholars with interests in memory studies national identity and the implications of memory making for contemporary relations between states *The Civic Mission of Museums* Anthony Pennay,2020-12-15 Museums have long sought to maintain relevance in the daily lives of their communities Over the past several decades museums have shifted as a field from a focus on collections to a focus on connecting with audiences More recently museums must confront political polarization and a decreasing sense of trust in nearly every public institution As a result few institutions are better positioned to serve the country than museums In fact polls show that museums rank among the most trusted institutions in the country regardless of political belief During tumultuous times this trust means that museums have a unique and important responsibility to fulfill their civic mission A century ago John Cotton Dana argued that the most important thing a museum can do is produce a public benefit *The Civic Mission of Museums* argues that museums play an essential role in the cultivation of engaged and informed citizens The book outlines a spectrum of civic learning that includes civic knowledge civic mindset civic skillset and civic action It offers concrete examples of impactful civic programming exhibits and public engagement from a diverse set of museums It ends with a practical toolkit gleaned from across the country for museum professionals to utilize **Civics and Citizenship** Benilde García-Cabrero,Andrés Sandoval-Hernández,Ernesto Treviño-Villareal,Silvia Diazgranados Ferrás,María Guadalupe Pérez Martínez,2017-08-24 The book is organized around four sections The first section is an introduction to the problem of defining the scope and foundations of the development of moral personality and social engagement in particular the development of civic and ethical attitudes and prosocial behavior The second section presents a comparative analysis of education policies in Mexico Chile and Colombia in particular the way the curricula of civic and

citizenship education is designed and implemented The section also describes and analyzes the way this subject is taught in the classrooms of the primary secondary and high school levels in the three countries The third section includes the results of research projects in Civics and Citizenship Education conducted with different theoretical and methodological models of analysis This last section includes some of the best practices of Civic Education that have been developed in Mexico Colombia and Chile

Progressive Reading Education in America Patrick Shannon, 2017-06-14 Through firsthand accounts of classroom practices this new book ties 130 years of progressive education to social justice work Based on their commitments to the principle of the equal moral worth of all people progressive teachers have challenged the obstacles of schooling that prevent some people from participating as full partners in social life in and out of the classroom and have constructed classroom and social arrangements that enable all to participate as peers in the decisions that influence their lives Progressive reading education has been and remains key to these ties commitments challenges and constructions The three goals in this book are to show that there are viable and worthy alternatives to the current version of doing school to provide evidence of how progressive teachers have accommodated expanding notions of social justice across time taking up issues of economic distribution of resources during the first half of the 20th century adding the cultural recognition of the civil rights of more groups during the second half and now grappling with political representation of groups and individuals as national boundaries become porous and to build coalitions around social justice work among advocates of differing but complementary theories and practices of literacy work In progressive classrooms from Harlem to Los Angeles and Milwaukee to Fairhope Alabama students have used reading in order to make sense of and sense in changing times working across economic cultural and political dimensions of social justice Over 100 teacher stories invite readers to join the struggle to continue the pursuit of a just democracy in America
