

History Mark Scheme Paper 1 - Analysis

Q1) What features of the Treaty of Versailles were shared by the other peace treaties of 1919–20?

This is a knowledge recall question, it is asking you to recall information, not explain or make a judgement. Just mention the specific features, factors, details.

Level 1 [1–4 marks] 1 mark for each relevant point; additional mark for supporting detail, maximum 2 marks per point made.

e.g. 'The War Guilt Clause.'

'An obligation to pay reparations.' *

'A need to reduce armaments.' *

'An acceptance of the Covenant of the League of Nations.'

'The defeated countries all lost territory.' *

'All the treaties were diktats.'

*If you gave details of these points you would get the extra mark.

For example, Germany had to pay 6.6bn UKP, whereas Bulgaria had to pay 90million and Hungary 200m gold marks.

Or

Germany's army was restricted to 100,000 men whereas Bulgaria was restricted to 20,000 men and Austria 30,000 men and conscription was not allowed.

So in other words, two detailed factors can get you 4 marks, however, the best option here is just to give 4 specific examples.

Notice this is a "what" question, not a "why", you are not being asked to explain why something happened. That is question 2.

So you could get four marks for saying...

The defeated powers faced similar treatment within the peace settlement. This included the loss of territory, they had to accept the Covenant of the League of Nations, as well as accept the War Guilt Clause. In addition some countries had to pay reparations and all had to reduce the military capacity and disarm.

or

The defeated powers had to pay reparations. For example, Germany had to pay
