Jab Cut Point 2016:

Advancing Africa's Sustainable Development Alain L. Fymat, 2018-11-14 While many African countries lag behind the rest of the industrialised world in scientific and medical research and development the situation is progressively improving This is why the Society for the Advancement of Science in Africa was established to contribute to economic advancement and sustainability through science research education and innovation This book provides a selection of papers from the Advancement of Science in Africa s fourth annual conference The conference was held under the overarching theme of science technology and innovation in Africa with several important sub themes including but not limited to improving health research and disease surveillance education collaborating in research responding to epidemic diseases with high mortality in Africa and promoting women s interest in science careers The collection illustrates how although the chapter contributors come from various countries and universities representing their own academic research they all share a common interest in advancing science technology and innovation in Africa Future Science (Volume _ 2016-2019, part two) Tianren Cheng,

than ever *Śambūka and the Rāmāyaṇa Tradition* Aaron Sherraden, 2023-08-01 According to Valmiki's Sanskrit Rāmāyaṇa a early centuries CE ambika was practicing severe acts of austerity to enter heaven In engaging in these acts as a dra ambika was in violation of class and caste based societal norms prescribed exclusively by the ruling and religious elite Rāma the hero of the Rāmāyaṇa epic is dispatched to kill ambika whose transgression is said to be the cause of a young Brahmin's death The gods rejoice upon the dra's death and restore the life of the Brahmin Subsequent Rāmāyaṇa poets almost instantly recognized this incident as a blemish on Rāma's character and they began problematizing this earliest version of the story They adjusted and updated the story to suit the expectations of their audiences The works surveyed in this study include numerous works originating in Hindu Jain Dalit and non Brahmin communities while spanning the period from ambika's first appearance in the Valmiki Rāmāyaṇa through to the present day The book follows the ambika episode chronologically across its entire history approximately two millennia to illuminate the social religious legal and artistic connections that span the entire range of the Rāmāyaṇa's influence and its place throughout various phases of Indian history and social revolution **FCC Record** United States. Federal Communications Commission, 2016 *Coffee* Robert W. Thurston, 2018-10-08 This engaging guide traces the history cultivation and culture of coffee as well as the major factors influencing the industry today Robert Thurston provides a readable concise overview of coffee from the time the seeds of the coffee fruit are planted to the latest ideas in roasting and making beverages He considers cultivation and its challenges especially climate change new research on hybridization the history of coffee and cultural change surrounding it around the world devices new and old for making coffee drinks the issue of organic versus conventional agriculture and the health benefits of the brew The first book that coffee lovers naturally will turn to it will also appeal to anyone interested in globalization climate change and social justice **Journal of Biblical and Theological Studies, Issue 3.1** Daniel S. Diffey, Ryan A. Brandt, Justin McLendon, 2018-04-18 The Journal of Biblical and Theological Studies JBTS is an academic journal focused on the fields of Bible and Theology from an inter denominational point of view The journal is comprised of an editorial board of scholars that represent several academic institutions throughout the world JBTS is concerned with presenting high level original scholarship in an approachable way Academic journals are often written by scholars for other scholars They are technical in nature assuming a robust knowledge of the field There are fewer journals that seek to introduce biblical and theological scholarship that is also accessible to students JBTS seeks to provide high level scholarship and research to both scholars and students which results in original scholarship that is readable and accessible As an inter denominational journal JBTS is broadly evangelical We accept contributions in all theological disciplines from any evangelical perspective In particular we encourage articles and book reviews within the fields of Old Testament New Testament Biblical Theology Church History Systematic Theology Practical Theology Philosophical Theology Philosophy and Ethics *In the Public's Interest* Gautam Bhan, 2016-11-15 This book studies the recent legacy of basti evictions in Delhi mass clearings of some of the city's poorest neighborhoods as a way to understand

how the urban poor are disenfranchised in the name of public interest and in the case of Delhi by the very courts meant to empower and protect them Studying bastes says Gautam Bhan provokes six clear lines of inquiry applicable to studies of urbanism across the global south The first is the long standing debate over urban informality and illegality the debate s impact on conceptions and practices of urban planning the production of space and the regulation of value The second is a set of debates on good governance read through their intersections with ideas of planned development within rapidly transforming cities The third is the political field of urban citizenship and the possibilities of substantive rights and belonging in the city The fourth is resistance and the ability of a city s subaltern residents to struggle against exclusion The two remaining inquiries both cut across and unify the first four One of these is the role of the judiciary and the relationships between law and urbanism in cities of the global south The other is the relationship between democracy and inequality in the city What emerges about Delhi in particular are a set of new modes for the reproduction of inequality When rights are lost citizenship is unequal and differentiated the promise of development is refused and poverty and inequality are reproduced and deepened The task at hand says Bhan is not just to explain evictions but also to listen to what they are telling us about the city that is as well as the city that can be

The Dying Body as a Lived Experience Alan Blum, 2016-10-04 The anxiety over death persists in everyday life though often denied or repressed lingering as an unconscious worry or intuition that typically seems to compromise one's feelings of well-being and experience in a range of areas coming out often as malaise depression and anger in much conduct. If one accepts the cliché that life is preparation for death we must accept that the lived experience of the dying body is not highlighted merely in obvious cases of deterioration such as in the ageing or diseased body but in everyday life as a normal phenomenon. This book proposes that sensitivity to this dimension can empower us to develop creative relationships to the vulnerability of others and to ourselves as well. Part One lays the groundwork for a study of the ways the aura and fear of death recurs as a constant premonition in life and how people try to deal with this uneasiness. Part Two then goes on to apply this focus to particular concerns and problems such as dementia depression aging retirement and a range of anxieties frustrations and aggressions. *The Dying Body as Lived Experience* will be of interest to a wide interdisciplinary audience in the health sciences in the sociology of health and illness philosophy bioethics and in the expanding field of medical humanities.
