The Reacher Guy Heather Martin, 2020-09-29 An exquisitely written and nuanced biography of an exceptional individual and writer who has created the 1 international bestselling hero Jack Reacher revered by dedicated and loyal readers worldwide Lee Child has a great public persona he is gracious and generous with readers and fans But Jim Grant is a reticent and very private man This rags to riches literary and social biography is based principally on disarmingly frank personal conversations and correspondence with the author since 2016 and privileged access to archival materials It consists almost entirely of original material and is the nearest thing the world is likely to get to the autobiography he does not intend to write There are a handful of great Lee Child Reacher stories that have been recycled over and over again They are so good that no one has bothered to look beyond them This book revisits and sometimes revises those irresistible stories but goes back further and digs deeper The emphasis on chronology accuracy and specificity is unprecedented The Lee Child origin myth is much loved But mostly it sees him springing fully formed from the brow of Granada Television There are glancing references to Aston Villa and the schoolyard but no one has examined the social and historical detail or looked

closely at where Lee really came from the people places and period This is the first time someone has described the Lee Child arc from peaceful obscurity in the Yorkshire Dales and Upstate New York to cult figure no 1 in America rock star celebrity and publishing institution through to backlash the changing zeitgeist and intimations of retirement The analysis of the emotional power and significance of Lee s work in the final chapters the themes of happiness addiction dependency loneliness and existential absurdity and the first hand retrospective accounts of his life and second act career are all exclusive to this definitive biography Jack McKinney's Tales from Saint Joseph's Hardwood Jack McKinney,2005 With a foreword by current coach Phil Martelli Tales from Saint Joseph s Hardwood The Hawk Will Never Die recounts the storied history of St Joe s basketball through the eyes and eras of its great coaches Hawk Hall of Fame coach and former NBA Coach of the Year Jack McKinney studs the fast moving account with poignant and humorous anecdotes Jack and author Bob Gordon interview hundreds of former and current players coaches Hawk mascots and fans who add a trove of zippy Hawk lore There s a lot of lore St Joe s has competed in parts of 11 decades standing toe to toe with all the big guys of college hoops The Hawks have tumbled many a Goliath in chalking up over 1000 wins more wins than all but a couple dozen other colleges in the entire nation The book gives an in depth profile of Jack McKinney from his youth in Chester to his two NBA championship rings You ll also chuckle at the inside story of the Hawk mascot which ESPN chose as college basketball s best The Phillie Phanatic a former Hawk himself guest authors in the mascot chapter All the memorable wins and heart breaking defeats are recaptured Through the prism of 45 years Tales from Saint Joseph s Hardwood The Hawk Will Never Die looks back at the heart breaking 1960 point shaving scandal Up close and personal profiles of Hawk stars like George Senesky Matty Guokas Cliff Anderson Mike Bantom Jameer Nelson and Delante West stud the narrative Palestra and Big Five lore abounds Past and present Big Five coaches pick their all time Big Five teams and recount their greatest memories Finally hilarious tales about Hawk teams playing overseas spice a must read entertaining and informative book for collegebasketball lovers everywhere
