Directory and Buying Guide ,1954 [The Storied Church](#) Matthew Gorkos, 2021-09-07

Matthew Gorkos begins *The Storied Church* with this compelling statement I believe in the church in the power of faithful people serving a good and gracious God and I believe in the power of a good story Moreover I believe as this book will argue that church and story harnessed together could be an even more powerful force for goodness in our world Neuroscientists anthropologists archeologists and psychologists all agree Story is how our brains and our communities make sense of things

Storytelling helps us cope with change and loss Storytelling helps us transmit lessons and life skills to the next generation As human beings it seems we can't do without story This book indeed this whole idea of story centered church renewal was born of a suspicion that the restorative transformative life giving function that stories have for us as individuals may serve communities of faithful people as well If stories help us survive as human creatures why can't they help churches survive The problem that story centered renewal seeks to remedy has only become more prevalent and urgent in the age of Covid 19 Our churches need hope now more than ever Writing from a pastor's perspective Gorkos hopes to encourage and empower other pastors and lay leaders with both the hope and the tools they need to effect revitalizing change in their faith communities Each chapter includes questions for reflection to help readers listen to and tell the stories that will lead to renewal and transformation
