Kol Haneshamah Prayers For A House Of Mourning:

Toward a History of Jewish Thought Zachary Alan Starr, 2020-03-09 The work is a history of Jewish beliefs regarding the concept of the soul the idea of resurrection and the nature of the afterlife The work describes these beliefs accounts for the origin of these beliefs discusses the ways in which these beliefs have evolved and explains why the many changes in belief have occurred Views about the soul resurrection and the afterlife are related to other Jewish views and to broad movements in Jewish thought and Jewish intellectual history is placed within the context of the history of Western thought in general That history begins with the biblical period and extends to the present time Open Judaism Barry L. Schwartz, 2023-07 Open Judaism offers a big tent welcome to all Jews and Judaism It is at once an invitation to the spiritually seeking Jew a clarion call for a deeply pluralistic and inclusive Judaism and a dynamic exploration of the remarkable array of thought within Judaism today In honest engaging language Barry L Schwartz a practicing rabbi and writer presents traditional secular humanistic and liberal Jewish views on nine major topics God soul Torah halakhah Jewish identity inclusion Israel ethics and prayer Teachings from many of Judaism s greatest thinkers organically reveal and embellish foundational ideas of Orthodox Reform Conservative Reconstructionist Renewal and Humanistic Judaism The conclusion sets forth core statements of belief in Judaism for believers atheists and agnostics thereby summarizing the full spectrum of thought and enabling readers to make and act on their own choices **A Jewish Book of Comfort** Alan A. Kay, 1997-03-01 To find more information on Rowman Littlefield titles please visit us at www.rowmanlittlefield.com Cursing the Christians? Ruth Langer, 2012-01-12 Ruth Langer offers an in depth study of the birkat haminin a Jewish prayer for the removal of those categories of human being who prevent the messianic redemption and the society envisioned for it In its earliest form the prayer cursed Christians apostates to Christianity sectarians and enemies of Israel Drawing on the shifting liturgical texts polemics and apologetics concerning the prayer Langer traces the transformation of the birkat haminin from what functioned without question in the medieval world as a Jewish curse of Christians through its early modern censorship by Christians to its modern transformation within the Jewish world into a general petition that God remove evil from the world Christian censorship played a crucial role in this transformation of the prayer however Langer argues that the truest transformation in meaning resulted from Jewish integration into Western culture Eventually the prayer shed its references to any specific category of human being and lost its function as a curse Reconciliation between Jews and Christians today requires both communities to confront a long history of prejudice Ruth Langer shows through the birkat haminin how the history of one liturgical text chronicled Jewish thinking about Christians over hundreds of years **Were Our Mouths Filled With Song** Eric L. Friedland, 1997-11-01 Since the period in which the Jewish liturgy was standardized there has hardly been a time when it was not somehow in a state of flux Eric L Friedland explores the countless ways that the Siddur Mahzor and Haggadah have been adjusted amplified or transformed so as to faithfully mirror modern Jews understanding of themselves their place in society

and their sancta In the tradition of liturgologists such as Elbogen Idelsohn and Petuchowski Friedland focuses on latter day adaptations of the prayerbook giving proper recognition to the recent concern for intellectual integrity cultural congruity group and individual self redefinition and honest speech in Jewish prayer The prayerbooks themselves are witnesses to innovation in the Jewish liturgy From David Einhorn s Olath Tamid Baltimore 1855 to Isaac Mayer Wise s Minhag Amerika Cincinnati 1857 and Marcus Jastrow s 1873 revision of Benjamin Szold s Abodath Israel Baltimore 1864 Friedland analyzes evidence of creativity in British and American Reform Jewish liturgy Various rites for the Days of Awe provide a particularly accurate glimpse of how Jewish communities here and abroad experience the sacred consider eternal mysteries and communicate with God Friedland also sets the Reform Gates of Prayer in historical and denominational perspective by considering it alongside the Reconstructionist Kol Haneshamah and the Israeli Progressive HaAvodah shebaLev The state and direction of liturgical change emerges from a survey of commonalities and divergences in nineteenth and twentieth century prayerbooks in terms of Sephardic and mystical influences attitudes toward the messianic hope and collective sentiments of forgiveness or vengeance toward Israel s enemies Liturgical approaches to the commemoration of the Ninth of Av suggest that even an ancient fast day can recover relevance credibility and authenticity for Liberal Jews in the postmodern era
