Sunday School Anne M. Boylan, 1988-01-01 This engrossing book traces the social history of

Protestant Sunday schools from their origins in the 1790s when they taught literacy to poor working children to their consolidation in the 1870s when they had become the primary source of new church members for the major Protestant denominations Anne M Boylan describes not only the schools themselves but also their place within a national network of evangelical institutions their complementary relationship to local common schools and their connection with the changing history of youth and women in the nineteenth century Her book is a signal contribution to our understanding of American religious and social history education history women s history and the history of childhood
