Fall Hard JL Merrow:

Caught! JL Merrow, 2017-06-05 Bow ties are cool but secrets not so much Behind Robert Emeny's cheerfully eccentric exterior lies a young heart battered and bruised by his past He's taken a job in a village primary school to make a fresh start and love isn't part of his plans But then he's knocked for six literally by a chance encounter with the uncle of two of his pupils Sean Grant works in pest control lives on a council estate and rides a motorbike Robert is an ex public schoolboy from a posh family who drives a classic car On the face of it they shouldn't have anything in common Yet Robert can't resist Sean's roguish grin and passion sparks between them even after an excruciatingly embarrassing first date Too bad the past Robert's hiding from is about to come looking for him His increasingly ludicrous efforts to keep his secrets are pushing Sean away but telling the truth could make Sean leave him for good

Out! JL Merrow, 2017-06-26 When love wars with principle which one will win Mark Nugent has spent his life in the closet at least the small portion of it he hasn't spent in the office Determined to make amends to his neglected teenage daughter from a failed marriage Mark swears off work and love so he can give her a stable home environment But Mark's resolve to keep his heart under wraps is tested when he meets an out and proud young man he's instantly drawn to Patrick Owen is a charity worker with strong principles He doesn't trust easily but he's blown away by his attraction for the older man who's so new to his own sexuality Yet Mark is adamant he's not coming out to his daughter and Patrick refuses to live a lie What with Mark's old fashioned attitudes and his flirtatious ex colleague who's determined to come between them Patrick begins to wonder if they'll ever be on the same page And when Mark's career as a tax advisor clashes with Patrick's social conscience sparks really start to fly in all the wrong ways NOTE This is a revised second edition originally published in 2016

husband was killed by his gay lover but Tom and Phil aren't so sure. Worried they may have precipitated Jonathan's death, they're determined to find the real killer. But with a web of incestuous ties linking the suspects, it's hard to know who to trust. Especially when a second victim dies a gruesome death. Meanwhile, with their wedding looming and them sharing a house, now Tom's worried it may all be too much, too fast. The last thing he needs are the mixed messages Phil seems to be sending out. They'll need to get back on the same track if they want to make it to their honeymoon together and alive. See this title's page on RiptidePublishing.com for content warnings.

Counter Culture JL Mellow, 2019-11-04 Customer service has never been this personal. Robin, Christopher, beleaguered retail worker, isn't having an easy November. His boss is raising stress levels, planning a Black Friday to end all Black Fridays, his family doesn't understand him, and his best friend thinks his new crush is a hallucination brought on by watching too many episodes of Doctor Who. Archie Levine dresses in Victorian style and divides his time between caring for his young son and creating weird and wacky steampunk gadgets from bits of old junk when he's not looking after his mum and trying to keep on good terms with his ex. The last thing he's got time for is a relationship, but the flustered young man he met while disembowelling a fridge is proving very tempting. When his mum's social conscience is roused by a local store with a cavalier attitude to the homeless former rough sleeper, Archie shares her anger. Little does he know that Robin works for that same store. When Archie finds out he's sleeping with the enemy, things could cut up very rough indeed. See this title's page on RiptidePublishing.com for content warnings.

Pressure Head JL Mellow, 2018-01-01 Some things are better left hidden. Tom Paretski's not just a plumber with a dodgy hip courtesy of a schoolboy accident. He also has a sixth sense for finding hidden things. Called in by the police to help locate a body near Brock's Hollow, he's staggered to encounter Phil Morrison, his old school crush and the closeted bully whose actions contributed to Tom's accident. Phil's all grown up now, and Tom's unwilling attraction to him is back with a vengeance. Phil's now openly gay, and what's more, he's interested in Tom's personal charms as well as his psychic talents. As a private investigator called in by the dead woman's parents, Phil is sceptical about Tom's unusual gift but nevertheless quick to spot its potential to aid him in his work. The further they go with the investigation, the less they can ignore their shared past, and the more the pressure and the heat build between them. But Tom isn't certain he wants to know the secrets he's helping to uncover while there's a murderer on the loose who won't hesitate to kill again, and this uneasy couple is moving right into his sights.

Lovers Leap JL Mellow, 2016-02-29 If they looked, would they ever leap? Good-looking, confident, and doted on by his widowed mum, Michael is used to thinking only of himself. Getting shoved off an Isle of Wight pier by an exasperated ex ought to come as a wake-up call, but then he meets Rufus, and he's right back to letting the little head take charge. Rufus is cute, keen, and gets under Michael's skin in a disturbing way. Would-be chef Rufus can't believe his luck when a dripping wet dream of a man walks out of the sea on his birthday, especially when Michael ends up staying at the family B&B. Life is perfect at least until Michael has to go home to the mainland. Rufus can't leave the island for reasons he's entirely neglected to

mention And though Michael identifies as bi breaking his mum s heart by coming out and having an actual relationship with a guy has never been his plan With both men determined to keep their secrets a leap of faith could land them in deep water Merrow delivers a fast paced tongue in cheek tale full of memorable secondary characters romantic chemistry and local scenery Publishers Weekly **To Love a Traitor** JL Merrow,2017-05-06 Wounds of the heart are the hardest to heal Solicitor s clerk George Johnson has a secret goal when he moves into a London boarding house in the winter of 1920 to find out if his fellow lodger Matthew Connaught was the wartime traitor who cost George s adored older brother Hugh his life Yet the more he gets to know his quarry the more George loses sight of his mission and his heart Blessed with boyish good looks and charm in abundance ad man Matthew is irrepressibly cheerful despite having lost an arm in the Great War and soon makes plain his attraction to George As George s feelings for Matthew grow so does his desperation to know the truth about what happened that day in Ypres Even if bringing all their secrets to light means he ll lose the man he s come to love

Love at First Hate JL Merrow,2018-09-03 First impressions can doom second chances Bran Roscarrock has been living in the closet all his life As heir to an expansive family legacy in the town of Porthkennack old fashioned ideals of respectability and duty were drummed into him since childhood and he s never dared to live or love openly Sam Ferreira an old friend of Bran s brother Jory is a disgraced academic desperate to leave his dead end job When Jory asks him to take over as curator of a planned exhibition on Edward of Woodstock the fourteenth century Black Prince Sam leaps at the chance to do what he loves and make a fresh start But Bran s funding the exhibition and though sparks fly between the two men they re not all happy ones Bran idolises Prince Edward as a hero while Sam s determined to present a balanced picture With neither of them prepared to give ground a hundred years of war seems all too possible And if Bran finds out about Sam s past his future may not be bright and their budding romance may be lost to history Face Blind JL Merrow,2022-10-10 When even friends look like strangers how will he ever find love Corin Ferriman was left face blind by the car crash that killed his ex Even people he s known for years are unrecognisable to him Running from his guilt and new found social anxiety he s moved to Glastonbury where he knows no one or does he Repeated sightings of a mysterious figure leave him terrified that his ghosts have followed him Tattoo artist Adam Merchant left Glastonbury at sixteen escaping from his emotionally distant mother to the father who d left them seven years previously Now at twenty five he s come home to bring his family back together But in a cruel twist of fate his mother dies before he can talk to her leaving him haunted perhaps literally by her memory and his unanswered questions When Corin and Adam meet again after an eerie first encounter Adam lays siege to the walls Corin s built around himself which start to crumble But there are ghosts haunting them both and while Adam longs for a connection beyond the veil Corin s guilt leaves him in angry denial that there could be anything after death With the liminal festival of Samhain fast approaching neither man is sure what s real and what s just a trick of the mind or maybe something worse
