D. Ellison, 2024-04-18 Jesus made many startling claims Among the most startling however must be his assertion that the Law the Prophets and the Psalms contain things written about him Ask any Christian to point to Old Testament verses that contain things written about Jesus and you ll see just how startling a claim this is The first Christians however faced no such problem As the book of Acts demonstrates the early church preached Jesus from the Old Testament In fact in 1 Corinthians 15 Paul tells us that Jesus not only died according to the Scriptures but that he was raised according to the Scriptures Paul asserts here that the Old Testament foretells Jesus s resurrection Contemporary scholars will warn us to be wary about reading Jesus back into the Old Testament They ll suggest that resurrection and the afterlife is an alien concept in the Old Testament Paul however clearly invites us to search the Scriptures for precursors promises and prophecies about the resurrection So let s follow the lead of Paul and find Easter in the Old Testament Imagining Heaven in the Middle Ages Jan S. Emerson, 2014-04-08 Medieval attempts to capture a glimpse of heaven range from the ethereal to the mundane utilizing media as diverse as maps cathedrals songs treatises poems visions and sewer systems Heaven was at once the goal of the individual Christian life and the end of the cosmic plan It was simply stated perfection But interpretations varied from the traditional to the dangerously unique as artists and authors theologians and visionaries struggled to define that perfection Depending on the source heaven s attributes vary from height to depth darkness to light silence to symphony the souls within it from activity to passivity experience to essence participation to distant admiration Questions addressed in this anthology include Are erotic and spiritual love mutually exclusive Does the soul s happiness depend on the resurrection of the body What will be the nature of the transfigured body Will it retain its gender Will it have senses Will it know desire How can desire and fulfillment exist together Can the human soul ever know God Contributors to this volume examine well known and previously unexplored texts and artefacts from historical and art historical theological philosophical and literary perspectives to complement and challenge more general surveys of the history of heaven and above all to illuminate the richness and variety of medieval Christian ideas on heaven *NIV Study Bible, Fully Revised Edition* Zondervan, 2020-09-15 Know what the Bible says Understand why the Bible matters This stunning full color study
