

Guide Fluence de lecture CP/CE Volume 1

Fluence de lecture CP/CE Vol. 1 propose une démarche efficace pour améliorer la vitesse et la précision de lecture des élèves débutants ou petits lecteurs et favoriser l'accès à la compréhension. Il permet de réduire l'hétérogénéité de la classe et favorise la participation des élèves en difficulté dans les activités collectives.

Démarche et contenus

Les séances, très structurées, reposent sur une démarche simple. Elles proposent des lectures répétées et chronométrées de textes adaptés au niveau des élèves, jusqu'à l'obtention d'un nombre suffisant de mots correctement lus en une minute. Après chaque lecture, l'enseignant aide l'élève en corrigeant oralement ses erreurs et en les explicitant pour améliorer la précision de la prochaine lecture. Au fur et à mesure des séances, les élèves observent leurs scores et prennent conscience de leurs progrès.

Le guide présente les principes de mise en œuvre et le déroulement d'une séance type pour une appropriation rapide de la démarche. Les 45 textes (littéraires, documentaires, recettes...) sont répartis en trois niveaux de difficulté et de longueur croissante. Chaque texte est fourni en deux exemplaires à photocopier, un pour l'élève avec une taille de police adaptée et un pour l'enseignant avec le décompte de mots par ligne. Il est accompagné d'une liste des mots difficiles et d'une aide au décodage ou à la compréhension. Des fiches de suivi permettent de mesurer les progrès des élèves. Des séances filmées consultables en ligne permettent de s'approprier les bons gestes et animer des séances efficaces. L'ensemble de ce matériel, prêt à l'emploi, allège le travail de préparation de l'enseignant et lui permet de se centrer sur la conduite des séances.

En complément de ce guide, 48 textes supplémentaires de 70 à 180 mots sur la ferme, la mer, le corps et les héros sont disponibles dans des recharges thématiques, pour renouveler les séances et proposer un entraînement complet en lien avec des thématiques de classe.

Modalités de mise en œuvre

Fluence de lecture CP/CE Vol. 1 peut être proposé en cours d'année aux élèves de CP qui lisent plus 20 mots à la minute ou dès la rentrée aux élèves de CE qui n'ont pas atteint une vitesse de lecture suffisante pour accéder à une bonne compréhension du texte lu. Pour être efficaces, les séances d'une durée de 30 minutes doivent être proposées de façon régulière et intensive à de petits groupes de 2 à 4 élèves de niveau homogène.

L'entraînement à la fluence est aussi particulièrement adapté à une mise en œuvre dans le cadre des activités pédagogiques complémentaires pour faire progresser les élèves sur quelques semaines. Les séances de fluence peuvent aussi être mises en œuvre en classe pendant que les autres élèves travaillent en autonomie à l'aide des fichiers Combinatoire CP#1, Combinatoire CP#2 ou Combinatoire CP#3, ou être programmées avec celles des entraînements Compréhension de la langue CP, Conscience phonologique CP ou Décodage CPCE Vol. 1 en reprenant le même créneau horaire ou dans le cadre d'un travail d'équipe facilitant la mise en place de décloisonnements sur le cycle 2.

Les séances de fluence peuvent aussi être mises en œuvre par les orthophonistes, qui pourront évaluer régulièrement la progression des enfants et confier le travail quotidien aux parents après les avoir formés.

Cet outil est une adaptation de l'entraînement Fluence CM/6^e/5^e qui été conçu dans le cadre d'une étude réalisée par le laboratoire Cogni-Sciences durant l'année scolaire 2006-2007 dans des collèges de l'Isère afin d'explorer les effets d'un entraînement à la fluence par une méthode de lecture de textes répétée et à haute voix. Les résultats ont montré que les élèves entraînés ont progressé de manière significative quel que soit l'indicateur auquel on se réfère, MCLM (Mots Correctement Lus par Minute) ou Alouette (épreuve standardisée d'évaluation du niveau de lecture).

Son efficacité a été à nouveau démontrée à plusieurs reprises aux cours des dernières années, dans le cadre du Programme Parler mené à Grenoble puis dans plus de 300 classes des Académies de Grenoble, Lyon, Martinique, Lille, Clermont, Versailles, Créteil.

Guides, Lecture, CP (6/7 ans), CE (7/8 ans), Fluence

M. Zorman, M. Pourchet

Format A5, 206 pages, principes de mise en œuvre, conseils pédagogiques, déroulement détaillé des séances, 45 textes en deux versions (élève et enseignant) à photocopier, outils de suivi à télécharger.
