Losing Your Mind To Find Your Soul Stephen Bradley-Waters, 2023-11-22 Join us from the humble beginnings of a Spiritual Awakening to the revelations of Enlightenment We are all unique with a purpose and with an open mind our connection to Spirit can be filled with blessings joy and the potential for a wonderfully inspired life Supporters of Losing Your Mind To Find Your Soul People would have to buy multiple books to get everything you two are putting into this book I absolutely love your book Honestly I'm reading it again because it had so much information It's deep and embodies so many aspects of spirituality That's what I enjoyed the most about it It's different because of that Everything around spirituality books usually focus on only one or two areas I think back to that time when I was desperately seeking answers and had no one around me to ask or talk to about this If your book would have been available wow a game changer I can't tell you how many books I've read especially when I was desperately seeking out everything and anything that talks about universal beliefs all of it Many things were well a waste of time Then I would find a book which is a gold nugget That's what makes your book amazing You've covered so many things around this that even if only a few things resonate with a reader you've given that person a trail and a path to follow It will lead them to go and open more doors Beta Reader This is a great read I loved that it had little nuggets of information on many areas of spirituality The author was open minded It's a wonderful book to grab and explore Amazon Review Wow I can't put this book down such a great read Amazon Review I stumbled across this book by mere coincidence although there is no such thing While scrolling through TikTok there were so many books tokens to try the book out and I am so glad I did The insight in his own spiritual journey which reflects somewhat so much with my own and explains so much in how I'm feeling and how to accept the process Fantastic Robert Hunt Losing Your Mind to Find Your Soul Audible
