safety of the Two Lands for her own ends As God s Wife of Amun she believes she has found the perfect balance of power and maat and has reconciled herself to contentment with her station But even that peace is threatened when the powerful men of Egypt plot to replace her They see her as nothing but a young woman easily used for their own ends and discarded But she is the son of the god Amun and neither her strength nor her will can be so easily discounted As the machinations of politics drive her into the hands of enemies and the arms of lovers onto the battlefield and into the childbed she comes face to face with maat itself and must decide at last whether to surrender her birthright to a man or to take up the crook and flail of the Pharaoh and claim for herself the throne of the king *Literacy for the 21st Century* Gail E.
