 lands **The Accident at Sanborn Corners.....and Other Minnesota Short Stories** J. L. Larson, 2013-06 Minnesota is
 known for frigid weather thousands of lakes and Scandinavian humor But in this anthology of ten short stories J L Larson
 shows a different side of the state via unique tales of conflict adventure and intrigue that often transport characters outside its
 borders In July of 1970 at a benign looking intersection in the middle of Minnesota farmland a fateful mishap occurs yet
 again What is it about this seemingly nondescript junction that makes it such a repetitive and bloody deathtrap Is it the
 terrain the weather the drivers or a combination of these and maybe a few other factors In another story a paper company
 executive and his wife must cope with an empty nest and the loss of his job He's doing fine until he receives a strange late
 night call about his self-centered malicious nemesis from the old job In tale after tale Larson showcases eclectic characters
 who embark on adventures that include a disaster on a popular lake an emotional confrontation in a university classroom the
 mysterious travel exploits experienced by a young man with his uncle and the recurring dramatic impact on a young teen as
 his life moves forward following a seemingly insignificant encounter *The Accident at Sanborn Corners and Other Minnesota
 Short Stories* is an entertaining compilation of situations and themes that illustrate how various characters cope with the
 unexpected in life *Master Golf... and You Master Life Itself* Kurt Pugh, 2008-09 MY POETRY When I get inspiration I write
 poetry I write to express what's inside of me My imagination is as high as a leaf on a very tall tree Or it can be as low as the
 earth where the earthworms creep I write about some of the things that I see Because when I put my pen to the paper it is
 the only time that I am truly free Free to write out what I think about what I hear I write about some of my hopes and my
 fears I write about my laughter and my tears I write about my triumphs and my jeers Sometimes I can write about those for
 whom I deeply care Or I can write about those pretty honey bun sistas with the beautiful ebony hair You know the ones that
 smell like the luscious lotions from Avon or Mary Kay I get inspiration for poems almost every day I never know when it will
 hit me whether it is at work or at play Hi my name is Eldon and I'd like you to come take a lyrical journey with me from the
 light into spiritual darkness and back into life But not just any life but the life that only God can give Come with me and
 experience my triumphs and failures ups and downs my light and my darkness all on life's merry-go-round You will

experience my personal spiritual darkness and the power of God's love and his redeeming light Then come and witness the power of the tongue We having the same spirit of faith according as it is written I believed and therefore have I spoken we also believe and therefore speak 2 Corinthians 4:13 KJV *The Golfers magazine* W.H.
