The Interpreter H. Jon Dada, 2015-10-23 This book presents contemporary and historical facts about Afghanistan and the American led war in that country The information presented here is based on field observations and analysis supported by my decades of worldwide professional experience While American contribution in education and development of former Afghanistan has been appreciated the atrocities committed during this war as well the animosities created among Afghans are the major focus of this Interpreter This war was created by Bush Cheney other 1% wealthy Americans and their Anglo

Zionist comrades in order to destabilize and control Islamic nations and make windfall profits in military contracts As usual the vast majority of Americans have been kept in the dark regarding the humongous human and financial costs of this war and the millions of new enemies created for America Mr. Chamberlain's Speeches; Ed. by Charles W. Boyd, with an Introd. by Austen Chamberlain Joseph Chamberlain,1914 **The Seventy Years of My Life** Zunxian Wu,1992 A Curious Student's Guide to the Book of Deuteronomy Reuven Travis,2022-06-13 One of the most common phrases in the Torah is And the LORD spoke to Moses saying So many of the Torah s commandments are introduced in this way These words represent God speaking to Moses and instructing him what to repeat or teach to the Jewish people Yet this phrase is not found at all in Deuteronomy and this helps explain why this book is so very different from the other books of the Torah Deuteronomy is Moses s book It is the record of Moses s final speech to the Jewish people before his death But this leads to a very basic and very fundamental question Why are the words of man even a man as great as Moses part of God s holy Torah A very good question a powerful one indeed And while we may not come up with a good or satisfying answer this book examines and presents life lessons just as important as those found in any other biblical text American Education ,1967
