**Hope** MaryAnn McKibben Dana, 2022-08-30 What hope is what hope isn't and how to find it in hopeless times Hope is not optimism It's not toxic positivity It's not a promise of future success or progress And it's definitely not something that can be reduced to a scripty font platitude on an Instagram post So what is it One thing is certain real hope demands that we do something with it That we live it out That we use hope to participate in a bigger story playing out behind the bleak world we see on the news or in our social media feeds every day It doesn't matter whether you're a person of faith or someone disillusioned with faith or someone who hardly ever thinks about faith if you're a human being who longs for a spiritual counternarrative to live by this book points to one resilient enough to endure crises and crushing defeats If you're tired of hearing about some heavenly hereafter amid the pressing need for justice here and now this is a book about hope for this world not the next After exploring what hope isn't and then what it is MaryAnn McKibben

Dana reflects on the surprising place where hope is often found in the messiness of our imperfect flawed beautiful human bodies In the second half of the book she talks about making hope real sharing hope through stories cultivating hope through simple practices and nurturing hope in hopeless times when only real hope can persevere **Resources in Education**
